**Privacy Act Statement
Collection and Use of Personal Information**

Sections 1631(c)(1)(A) and 1860 D-14 of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent a timely and accurate decision on your appeal.

We will use the information to determine your eligibility for assistance paying towards a Medicare Prescription Drug Plan. We may also share your information for the following purposes, called routine uses:

1. To applicants, claimants, prospective applicants or claimants (other than the data subjects and their authorized representatives) to the extent necessary for the purpose of pursuing Medicare Part D and Part D subsidy entitlement or appeal rights; and
2. To the Centers of Medicare and Medicaid Services (CMS), for the purpose of administering Medicare Part D enrollment and premium collection and Medicare Advantage Part C premium collections, as well as Medicare Part B income-related monthly adjustment amounts.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0321, entitled Medicare Database File. Additional information and a full listing of all our SORNs are available on our website at www.socialsecurity.gov/foia/bluebook.
