The Social Security Administration is authorized to use the information you supply on this form under sections 1614 and 1633 of the Social Security Act. Social Security needs this information to make a decision on the claimant's claim. This form is authorized under CFR 416.924a (a). While giving us the information on this form, you are giving us your consent that the information you furnish is almost never used for any purpose other than making a determination about the claimant's disability, such information may be disclosed by the Social Security Administration as follows: (1) to enable a third party or agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; (2) to comply with Federal laws requiring the release of information from Social Security records (e.g., to the General Accounting Office and the Department of Veterans Affairs); and (3) to facilitate statistical research and such activities necessary to assure the integrity and improvement of the Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).

**See revised Paperwork Reduction Act**

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it. Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security Offices. If you want to learn more about this, contact any Social Security office.

**Paperwork Reduction Act Statement** - This information is being collected in accordance with the requirements of 44 U.S.C. § 3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. **Collection and Use of Personal Information**

Sections 1614 and 1633 of the Social Security Act, as amended, and 20 CFR 416.924a(a), authorize us to collect this information. We will use the information you provide to make a decision on the named claimant's claim.

The information you furnish on this form is voluntary. However, failure to provide the requested information could prevent us from making an accurate and timely decision on the named claimant's claim.

We rarely use the information you supply for any other purpose than to make a decision on a claimant's disability. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;
2. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans Affairs);
3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and
4. To facilitate audit or investigative activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.
