Dear [**PROGRAM/CENTER DIRECTOR NAME**]:

On behalf of the Administration for Children and Families, I invite you participate in the Migrant and Seasonal Head Start (MSHS) Study by completing the brief survey included in this mailing.

This important study is being conducted under contract to Abt Associates and its partners, The Catholic University of America and Westat. The study will describe the characteristics and experiences of the children and families who enroll in MSHS, as well as MSHS programs and services.

All MSHS grantee/delegate agency directors and a sample of about 200 MSHS center directors are being invited to complete mailed surveys that take about 40 minutes to complete. Your participation is voluntary, and we strongly encourage you to participate in this study. As you may know, this will be the first nationally-representative study of MSHS in over a decade and it will provide valuable information to practitioners, policy makers and researchers about how to improve services for migrant and seasonal farmworker families.

In addition to mailed director surveys, our study team will be contacting 53 randomly selected centers within 24 MSHS grantees/delegate agencies from across the United States to participate in onsite study activities. The onsite study activities will include classroom observations, teacher and assistant teacher surveys, parent and teacher child reports, parent interviews, and child assessments. Not all grantees/delegate agencies and centers will be selected. Those grantees/delegate agencies and centers that are selected for these additional onsite study activities will be contacted by the MSHS Study team to provide details about the activities and to answer any questions you may have.

If you have any questions about the study you can call the study team toll-free at XXX-XXX-XXXX or email them at XXX@xxxx.xxx.

Sincerely,

Wendy DeCoursey, PhD
