The interview will take about 45 minutes and you will receive \$25 for completing the interview. Your participation in the survey is voluntary. You do not have to answer any questions that make you uncomfortable.
We are conducting this survey for the U.S. Department of Health and Human Services. The OMB number for this information collection is 0970-0481 and the expiration date is July 31, 2019.
The information you provide will be kept private to the extent permitted by law. Because we want to get your opinion, it is important that you answer the questions without help from anyone else. Of course, you can share what you said with others after we have completed the interview.
This interview may be recorded so my supervisor can monitor the interview and make sure that the questions are asked correctly. These recordings will be destroyed when the study is completed.
