

Thank you Message (no consent)

Thank you for taking time out of your busy day to respond to our email. We hope you will continue to utilize OAH's TAG resources to better reach America's 42 million adolescents.

Thank you,

HHS Office of Adolescent Health

Thank you Message Post-Survey

Thank you for taking time out of your busy day to complete this survey. Your feedback will help OAH improve TAG and better reach America's 42 million adolescents. If you specified that you are able to speak with us further, we will be reaching out shortly.

Thank you,

HHS Office of Adolescent Health
