

**ALASKA MIGRATORY BIRD SUBSISTENCE
HARVEST HOUSEHOLD SURVEY
1018-0124**

Justification for No Material/Nonsubstantive Change

The current OMB approval of 1018-0124 on October 18, 2016, incorrectly lists the “North Slope Harvest Report” under the “Migratory Bird Subsistence Harvest Household Survey” as FWS Form 3-2314. The correct form number should be listed as 3-2381-4. The IC has been updated to include the correct form number. The form instrument itself did not change.
