See 49 C.F.R. 225.7 (b).					
This collection of information is mandatory under 49 CFR 225, and is used by FRA to monitor national rail safety by tracking – on a continual basis – all rail accidents/incidents above a stipulated dollar threshold. Public reporting burden is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing databases, gathering and maintaining the data needed, and completing and reviewing the collection of information. The information collected is a matter of public record, and no confidentiality is promised to any respondent. Please note that an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 2130-0500.
