Please make corrections to name, address and ZIP Code, if necessary

The information you provide will be used for statistical purposes only. Your responses will be kept **confidential** and any person who willfully discloses ANY identifiable information about you or your operation is subject to a jail term, a fine, or both. This survey is conducted in accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107-347 and other applicable Federal laws. For more information on how we protect your information please visit: <https://www.nass.usda.gov/confidentiality>. **NOTICE:** Response to this inquiry is required by law (Title 7, U.S. Code).

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0254. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Include:

- Baled lint upland and extra long cotton staple (ELS) on hand for which no electronic warehouse receipts issued by a provider are active as of midnight on Saturday, July 30, 2017
- Include any cotton stored in shipping containers.
- For cotton merchant companies and marketing cooperatives, include only cotton in storage facilities owned and operated by your company.

Exclude:

- Cotton in transit or on board ships
- Cotton lint at spinning mills or storage facilities at ports.
- Loose cotton, linters, and motes.
- Cotton which has been reported to USDA's Farm Services agency in the most recent Bales Made Available for Shipment (BMAS) report.
- For cotton merchant companies and marketing cooperatives, exclude cotton you own that is stored at warehouses or storage facilities not owned or managed by your organizations.
