

## ATTACHMENT 6\_R: YOUTH ASSENT, FOLLOW UP

Form Approved  
OMB No. 0910-0753  
Exp. Date 09/30/2019

### 1ASSENT FOR YOUTH FOR CAPI

#### FDA Health and Media Study

We are talking to boys in 30 cities across the United States. The study is sponsored by the U.S. Food and Drug Administration. You have previously taken part in this study by completing a survey. We are asking for you to participate again by completing this survey.

The survey asks boys ages 11-19 about their attitudes related to health behaviors. The survey asks about advertisements they may have seen on TV or online. The advertisements may have also been heard on the radio. The survey will take about 45 minutes to complete. Up to 2,200 boys will take this survey. The survey is part of a research study being conducted by RTI International. There are no direct benefits for answering our questions but you will be helping with important health research.

Your parent or guardian has given permission for you to complete this survey.

Your name will be kept private. Your answers will be labeled with a number instead of your name. This makes it so only research staff will know these are your answers. Your answers may be shared with the FDA but not your personal information. We will not share any information you give us with your parents or anyone outside the FDA and RTI research teams. All of your answers will be kept private. It is not completely safe to send data through the Internet but we are doing everything we can to protect your data.

There are no physical risks but some questions might make you uncomfortable. If you don't want to take the survey, that is okay. If you don't want to answer a certain question, that is okay too. You may also choose to drop out of the survey at any time, for any reason and you may take a break at any time.

We will offer you **\$20** in cash to thank you for taking time to complete the survey.

We may contact you again in the future. It is up to you to decide if you would like to take any future surveys.

You can call us if you have questions about the study. The phone number is (866) 214-2039. You can also email us at [mediastudy@rti.org](mailto:mediastudy@rti.org). You may also have questions about your rights as a study participant. For those questions call the RTI Office of Research Protection. Their phone number is (866) 214-2043. You can send them an email at [orpe@rti.org](mailto:orpe@rti.org).

### FDA Health and Media Study

**This screen is meant to be read by [YOUTH FNAME]**

We are talking to boys in 30 cities across the United States. This study is sponsored by the U.S. Food and Drug Administration. You have previously taken part in this study by completing a survey. We are asking for you to participate again by completing this web survey.

The survey asks boys ages 11-19 about their attitudes related to health behaviors. The survey asks about advertisements they may have seen on TV or online. The advertisements may have also been heard on the radio. The survey will take about 45 minutes to complete. Up to 2,200 boys will take this survey. The survey is part of a research study being conducted by RTI International. There are no direct benefits for answering our questions but you will be helping with important health research.

Your parent or guardian has given permission for you to complete this survey.

Your name will be kept private. Your answers will be labeled with a number instead of your name. This makes it so only research staff will know these are your answers. Your answers may be shared with the FDA but not your personal information. We will not share any information you give us with your parents or anyone outside the FDA and RTI research teams. All of your answers will be kept private. It is not completely safe to send data through the Internet but we are doing everything we can to protect your data.

There are no physical risks but some questions might make you uncomfortable. If you don't want to take the survey, that is okay. If you don't want to answer a certain question, that is okay too. You may also choose to drop out of the survey at any time, for any reason and you may take a break at any time.

We will offer you a check for **\$25** if you complete the survey before [EARLY BIRD DEADLINE]. If you complete the survey after that we will offer you a check for **\$20**. You will receive \$20 in cash if you complete the survey in person.

We may contact you again in the future. It is up to you to decide if you would like to take any future surveys.

You can call us if you have any questions about the study. The phone number is (866) 214-2039. You can also email us at [mediastudy@rti.org](mailto:mediastudy@rti.org). You may also have questions about your rights as a study participant. For those questions call the RTI Office of Research Protection. Their phone number is (866) 214-2043. You can send them an email at [orpe@rti.org](mailto:orpe@rti.org).

After you select your answer, please press "Next."

- 1 Yes, I agree to participate in this study.
- 2 No, I do not wish to participate in this study.
