Strongly Disagree__ Disagree__ Neutral__ Agree__ Strongly Agree__

Not Applicable__

4. Have you been able to incorporate any new knowledge gained from the webinar in your clinical practice?

Strongly Disagree__ Disagree__ Neutral__ Agree__ Strongly Agree__

Not Applicable__

CDC estimates the average public reporting burden for this collection of information as 2 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

If yes, what did you incorporate? _____

5. Any additional comments

Thank you for completing the survey and for your valuable feedback!
