

**Health Care Linkages (Linkages to Health Care Services)**

- In the reporting period, how many referrals were made by program staff to off-site providers or SBHCs for ANY of the following health services: Reproductive Health Care; Mental Health Services; Primary Health Care; Educational Services; Vocational Education/Workforce Development; Intimate Partner Violence Prevention; Healthy Relationships Training. (Collect # of each)

The performance measures reported to the agency will be obtained by summing the responses to the questions across grantee types and tiers.
