Subject: Teen Health Empowerment Study– We want to talk with you in a focus group!

Dear [First Name],

We are asking you to be part of a select group of young women who participated in the Teen Health Empowerment study (and surveys) to talk with us in a focus group about attitudes and choices surrounding birth control and contraceptive methods. Groups will be held close by—at a local library or health clinic—and will last about an hour.

If you are interested, please email me at: THEStudy@abtassoc.com, or call/text me at: 256.364.0102. I very much look forward to talking with you about this opportunity to share your voice.

Sincerely,

The Teen Health Empowerment Study Team
