## Rev. Proc. 2004-44

### SECTION 1. PURPOSE

The purpose of this revenue procedure is to outline the procedure by which a plan administrator or a plan sponsor may request and obtain approval for an extension of an amortization period in accordance with § 412(e) of the Internal Revenue Code and section 304(a) of the Employee Retirement Income Security Act of 1974 (ERISA), Pub. L. 93-406, 1974-3 C.B. 1, 42.

### SECTION 2. BACKGROUND INFORMATION

.01 Statute—Section 412(e) of the Code and section 304(a) of ERISA provide that the period of years required to amortize

any unfunded liability of any plan may be extended by the Secretary of Labor for a period of time (not in excess of 10 years).

.02 Reorganization Plan—Reorganization Plan No. 4 of 1978, 1979-1 C.B. 480, which became effective December 31, 1978, transferred the function described in subsection .01 to the Secretary of the Treasury.

### SECTION 3. REQUESTS FOR APPROVAL TO EXTEND AN AMORTIZATION PERIOD

.01 Who may submit—Only a plan administrator, plan sponsor, or an authorized representative of either may submit a request for approval to extend the period of years required to amortize any unfunded liability. The request must be signed by the taxpayer maintaining the plan (hereinafter referred to as “applicant”) or an authorized representative of the applicant who either must be identified in (a), (b), or (c) of subsection 9.02(11) of Rev. Proc. 2004-4, 2004-1 I.R.B. 125, or must be an enrolled actuary within the meaning of § 7701(a)(35) of the Code. Where an authorized representative signs the request or will appear before the Service in connection with the request, a Form 2848, *Power of Attorney and Declaration of Representative*, must be submitted with the request. For multiemployer plans, the request must be made by the Board of Trustees (which shall be deemed to be the applicant) or by an authorized representative of the Board of Trustees. An individual is not an authorized representative of the applicant merely on account of being an administrator or trustee of the plan.

.02 Submission.—Requests for approval to extend an amortization period must be submitted to:

Employee Plans  
Internal Revenue Service  
Commissioner, TE/GE  
Attention: SE:T:EP:RA  
P.O. Box 27063  
McPherson Station  
Washington, D.C. 20038

The user fee required by Rev. Proc. 2004-8, 2004-1 I.R.B. 240, or its successors, must be sent with such requests.

.03 Necessary Procedural Documents.—A request will not be considered unless it complies with (1) through (3) below.

(1) The request also must contain a declaration in the following form: “Under the penalties of perjury, I declare that I have examined this request, including accompanying documents, and to the best of my knowledge and belief, the facts presented in support of the request are true, correct, and complete.” This declaration must be signed by the applicant (e.g., an authorized officer of a corporation). The signature of an individual with a power of attorney will not suffice for the declaration. See section 9.02(13) of Rev. Proc. 2004-4, *supra*, at 142.

(2) Because a request for an extension constitutes a request for a ruling, compliance with section 6110 of the Code is also required. Section 601.201 of the Statement of Procedural Rules sets forth the requirements applicable to requests for rulings and determination letters which are subject to section 6110. Section 601.201(e) furnishes specific instructions to applicants.

The applicant must provide with the request either a statement of proposed deletions and the statutory basis for each proposed deletion, or a statement that no information other than names, addresses, and taxpayer identifying numbers need be deleted.

(3) The applicant must provide a copy of a written notification to each employee organization representing employees covered by the plan, and each participant, beneficiary, and alternate payee of the plan, that an application for an extension of the amortization period under § 412(e) has been submitted to the Service. The original of the written notification must bear a signature by an appropriate officer of the applicant and must be in substantially the form set forth in the Model Notice found in the Appendix A to this revenue procedure. The Service does not require the applicant to furnish any information in addition to that required by the Model Notice in the Appendix A to plan participants, beneficiaries, alternate payees, or employee organizations as part of the extension application process, but additional information may, of course, be provided by the applicant pursuant to the collective bargaining process or otherwise.

The application must state that such notice was hand delivered or mailed to the last known address of each employee organization, participant, beneficiary, and alternate payee (within the meaning of § 414(p)(8)) within 14 days prior to the date of the application. If the applicant makes a reasonable effort to carry out the provisions of this paragraph, failure of an employee organization, participant, beneficiary, or alternate payee to receive the notice will not cause the applicant to fail the notice requirement. However, merely posting the notice on a bulletin board is not sufficient to satisfy this requirement.

.04 Necessary Information.—The applicant must furnish appropriate evidence that the extension of the amortization period is needed to continue the plan or to prevent a substantial curtailment of pension benefit levels or employee compensation, and that a denial of the extension would be adverse to the interests of the plan participants in the aggregate. What constitutes appropriate evidence will depend on the facts and circumstances of each case. A response must be furnished for each of the paragraphs (1) through (6)

below. In certain cases, some of the material described in paragraphs (1) through (6) may be inapplicable, unavailable, inappropriate or burdensome to furnish. In such cases, the applicant should furnish a statement indicating why the material for a particular paragraph is inapplicable, unavailable, inappropriate or burdensome.

(1) General facts concerning the employer.

A brief statement should be submitted concerning: (a) the history of the employer and its primary business; (b) the ownership of the employer and any recent or contemplated changes (such as acquisitions, mergers, discontinuances of operations) which might have a bearing on the employer's organization or financial condition; (c) whether the employer is aggregated with any other entity for purposes of § 414(b), (c), (m) or (o); and (d) whether the plan is also maintained by employers described in (c) above or any other employers.

(2) The financial condition of the employer.

For plans other than multiemployer plans, the latest available annual financial report of the employer and each of the other entities included within the controlled group of which the employer is a member. This submission must include at least the balance sheet, profit and loss statement, cash flow statement, and notes to the financial statement. Recent interim financial reports for each of the controlled group members, if available, should also be submitted along with an interim financial report covering the corresponding period for the previous year. If the employer submits financial reports to the Securities and Exchange Commission, these reports should be submitted for the same period as the annual financial report. Preferably, the financial report should include certified financial statements. If certified financial statements have not been prepared, an uncertified report is acceptable. If neither certified nor uncertified reports are available, a copy of the company's latest available federal income tax return, including all of the supporting schedules, must be submitted.

For multiemployer plans, the financial information described in the above paragraph must only be submitted for employers who either (1) are represented on the Board of Trustees or (2) made or were re-

quired to make five percent or more of the total required contributions under the collective bargaining agreements relating to the plan for which the extension is requested. In addition, the applicant must submit a general description of the financial state of the industry in which employees covered by the plan are employed. Regardless of whether any employer makes more than five percent of the total contributions, a general description of the financial state of the industry in which employees covered by the plan are employed is required. For purposes of this paragraph, a multiple employer plan for which the plan administrator did not make an election under § 413(c)(4)(B) of the Code is required to submit the same information as a multiemployer plan. Financial information of employers contributing to a multiemployer plan (identified by name of plan and plan number) must be submitted directly from the contributing employers to the Service at the same time that the submission is made to the following address:

Employee Plans  
Internal Revenue Service  
Commissioner, TE/GE  
Attention: SE:T:EP:RA  
P.O. Box 27063  
McPherson Station  
Washington, D.C. 20038

(3) Information concerning the extension of the amortization period. Information concerning the extension of the amortization period should include the following.

(a) The unfunded liability for which an extension of the amortization period is requested.

(b) The reasons why an extension of the amortization period is needed.

(c) The length of the extension of the amortization period desired (up to a maximum of 10 years).

(d) Information concerning the actions taken by the applicant to reduce the plan's unfunded liability before the request for an extension has been made. Such actions would include the reduction of future plan benefit accruals and increases in employer contribution rates. Also describe any benefit reductions, contribution rate increases, or other actions that are intended to be taken in the future.

(e) Projections of (i) funding standard account credit balance/accumulated funding deficiencies, (ii) actuarial value of assets and market value of assets, (iii) current liabilities, and (iv) funding ratios, for the length of the extension of the amortization period requested and for the period ten (10) years afterwards. For example, if the applicant requests an extension of ten (10) years, the projections should be for a 20-year period. These projections must be prepared by an enrolled actuary.

(f) The plan year for which the extension is requested, *i.e.*, the first plan year for which the extension of the amortization period will be reflected in the determination of the minimum funding standard for the plan (*e.g.*, 1/1/2004—12/31/2004).

The Service may request additional information as needed.

(4) Facts concerning the pension plan. For each pension plan for which an extension is requested, the following information should be supplied.

(a) The name of the plan, the plan's identification number, and file folder number (if any).

(b) The date the plan was adopted.

(c) The effective date of the plan.

(d) The classes of employees covered.

(e) The number of employees covered.

(f) A copy of the current plan document and the most recent summary plan description.

(g) A copy of the most recent determination letter issued to the plan.

(h) A brief description of all plan amendments adopted during the year for which the extension is requested and the previous four years which affect plan costs, including the approximate effect of each amendment on such costs.

(i) The most recent actuarial report plus any available actuarial reports for the preceding two plan years. Also, if not shown in that report, the present value of accrued benefits, present value of vested benefits, and fair market value of assets (excluding contributions not yet paid).

(j) A description of how the plan is funded (*i.e.*, trust fund, individual insurance policies, etc.).

(k) A list of the contributions actually paid in each month, from the twenty-fourth month prior to the beginning of the

plan year for which the extension is requested through the date of the request and the plan year to which the contributions were applied, with the employee contributions and the employer contributions listed separately.

(l) The approximate contribution required to meet the minimum funding standard. For defined benefit plans, this amount should be determined by the plan's enrolled actuary.

(m) A copy of the most recently completed *Annual Return/Report of Employee Benefit Plan* (Form 5500 series, as applicable) and in the case of a defined benefit plan, a copy of the corresponding *Actuarial Information* schedule (Schedule B of Form 5500).

(n) A copy of each ruling letter that waived the minimum funding standard during the last 15 plan years, a statement of the amount waived for each plan year, and a statement of the outstanding balance of the amortization base for each waived funding deficiency. The outstanding balance of the amortization base for each waiver is to be calculated as of the first day of the plan year for which an extension is being requested.

(o) A copy of each ruling letter that granted, under § 412(e) of the Code and section 304(a) of ERISA, an extension of time to amortize any unfunded liability which became applicable at any time during the last 15 plan years.

(5) Other pension, profit-sharing, or stock bonus plans. If the employer maintains more than one plan, an outline of the essential facts for each such plan should be submitted. This should include:

(a) A brief description of the plan, including the name of the plan and its plan year.

(b) The number of employees covered.

(c) The classes of employees covered.

(d) The approximate annual contribution required.

(e) The amount of contributions that have been made, or are intended to be made, for any plan year of such other plan commencing in, or ending in, the plan year for which the extension is requested.

(f) A statement as to whether a request for a waiver of the minimum funding

standard or an extension of an amortization period is contemplated for the plan.

(6) Other information.

(a) Describe the nature of any matters pertaining to the plan which are currently pending or are intended to be submitted to the Service, the Department of Labor or the Pension Benefit Guaranty Corporation.

(b) Furnish details of any existing arbitration, litigation, or court procedure which involves the plan.

.05 Checklist.—A checklist has been provided in Appendix B for the convenience of the taxpayer submitting the request. This checklist should be signed, by the taxpayer or authorized representative, and dated and placed on top of the request.

#### SECTION 4. DEADLINE FOR REQUESTING AN EXTENSION OF THE AMORTIZATION PERIOD

All extension requests should be submitted by the last day of the plan year for which the extension is intended to take effect. The Service will consider applications for extensions submitted after this date only upon a showing of good cause. In seeking an extension of an amortization period with respect to a plan year which has not yet ended, the applicant may have difficulty in furnishing sufficient current evidence in support of the request. For this reason, it is generally advised that a request not be submitted earlier than 180 days prior to the end of the plan year for which the extension is requested.

#### SECTION 5. GENERAL

Employers who have difficulty in furnishing the information specified in this revenue procedure may call the Employee Plans Customer Assistance Service at 1-877-829-5500 (a toll-free number), or write for guidance to the following address:

## Rev. Proc. 2004-45

### SECTION 1. PURPOSE

This revenue procedure provides alternative disclosure procedures that are deemed to satisfy a taxpayer's disclosure obligations under § 1.6011-4 of the Income Tax Regulations for transactions with a significant book-tax difference under § 1.6011-4(b)(6). Taxpayers also may continue to follow the disclosure procedures provided in § 1.6011-4 for disclosing transactions described in § 1.6011-4(b)(6).

### SECTION 2. BACKGROUND

.01 Section 1.6011-4 requires a taxpayer who participates in a reportable transaction to disclose the transaction in accordance with the procedures provided in § 1.6011-4. Under § 1.6011-4(b), there are six categories of reportable transactions. One category of reportable transactions is a transaction with a significant book-tax difference. A transaction with a significant book-tax difference is defined in § 1.6011-4(b)(6) as a transaction where the amount for tax purposes of any item or items of income, gain, expense, or loss from the transaction differs by more than \$10 million on a gross basis from the amount of the item or items for book purposes in any taxable year. For purposes of § 1.6011-4(b)(6), the amount of an item for book purposes is determined by applying U.S. generally accepted accounting principles for worldwide income.

.02 Section 1.6011-4(b)(6)(ii) provides that the following taxpayers must disclose transactions with a significant book-tax difference: (1) reporting companies under the Securities Exchange Act of 1934 (15 U.S.C. 78a) and related business entities; and (2) business entities that have \$250 million or more in gross assets for book purposes at the end of any financial accounting period that ends with or within the entity's taxable year in which the transaction occurs.

.03 On July 7, 2004, the Treasury Department and Internal Revenue Service released a draft of the final version of Schedule M-3, *Net Income (Loss) Reconciliation For Corporations With Total Assets of \$10 Million or More*. In general, for taxable years ending on or after December 31, 2004, any corporation (or U.S. consolidated tax group) required to file Form 1120, *U.S. Corporation Income Tax Return*, that reports total assets at the end of the corporation's (or U.S. consolidated tax group's) taxable year that equal or exceed \$10 million on Schedule L of Form 1120 is required to complete and file Schedule M-3.

### SECTION 3. SCOPE

This revenue procedure applies to a taxpayer that is required to disclose reportable transactions under § 1.6011-4 with respect to transactions described in § 1.6011-4(b)(6).

### SECTION 4. APPLICATION

.01 *Corporation required to complete Schedule M-3 for a taxable year ending on or after December 31, 2004.* For a taxable year ending on or after December 31, 2004, a corporation required to file Schedule M-3 that completes and files Schedule M-3 (in accordance with the instructions

to the form, including draft instructions until such instructions are finalized) with the corporation's timely-filed original tax return (including extensions) for the taxable year is deemed to satisfy the disclosure requirements of § 1.6011-4 with respect to transactions described in § 1.6011-4(b)(6) for that taxable year.

.02 *Taxpayer not required to complete Schedule M-3 for a taxable year ending on or after December 31, 2004.* A taxpayer that is required to disclose reportable transactions under § 1.6011-4 with respect to transactions described in § 1.6011-4(b)(6), but is not required to complete Schedule M-3, for a taxable year ending on or after December 31, 2004, will continue to be subject to the disclosure requirements of § 1.6011-4. However, the taxpayer is deemed to satisfy the disclosure requirements of § 1.6011-4 with respect to transactions described in § 1.6011-4(b)(6) for a taxable year ending on or after December 31, 2004, if the taxpayer complies with the alternative disclosure procedures described in section 4.04 of this revenue procedure for that taxable year.

.03 *Alternative disclosure procedures for a taxable year ending before December 31, 2004, for transactions entered into on or after January 1, 2003.* For a taxable year ending before December 31, 2004, a taxpayer required to disclose reportable transactions under § 1.6011-4 with respect to transactions described in § 1.6011-4(b)(6) that were entered into on or after February 28, 2003, is deemed to satisfy the disclosure requirements of § 1.6011-4 with respect to those transactions if the taxpayer complies with the alternative disclosure procedures described in section 4.04 of this revenue procedure. These rules also may be relied upon for taxable years ending before December 31, 2004, with respect to transactions entered into on or after January 1, 2003, and before
