

DISCLOSURE TO CONSUMER REPORTING AGENCIES:

Disclosures pursuant to 5 U.S.C. 552a(b)(12): The Department may disclose to a consumer reporting agency information regarding a claim by the Department that is determined to be valid and overdue as follows: (1) The name, address, taxpayer identification number, and other information necessary to establish the identity of the individual responsible for the claim; (2) the amount, status, and history of the claim; and (3) the program under which the claim arose. The Department may disclose the information specified in this paragraph under 5 U.S.C. 552a(b)(12) and the procedures contained in subsection 31 U.S.C. 3711(e). A consumer reporting agency to which these disclosures may be made is defined at 31 U.S.C. 3701(a)(3).

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING AND DISPOSING OF RECORDS IN THE SYSTEM:**STORAGE:**

Records are maintained in hard copy in locked file cabinets and electronically on the SharePoint platform, which runs on the Department's network (EDUCATE).

RETRIEVABILITY:

Records are retrievable by the name of the individual or by the organization within the Department where the individual works.

SAFEGUARDS:

All physical access to the building where this system of records is maintained is controlled and monitored by security personnel who check each individual entering the building for an employee or visitor badge. Hard copy records are stored in locked metal filing cabinets, with access limited to personnel whose duties require access. Electronic records are stored on the SharePoint network, which runs on the Department's network (EDUCATE). The network complies with the security controls and procedures described in the Federal Information Security Management Act (FISMA), National Institute of Standards and Technology (NIST) Special Publications, and Federal Information Processing Standards (FIPS). Some specific security controls in place include:

Operating systems and infrastructure devices are hardened in accordance with NIST and Department guidance.

Intrusion Detection Systems are deployed at the Intranet and Internet edges and are actively monitored by the Security Operations Center (SOC).

Vulnerability scans are conducted periodically to ensure supporting

systems and all applications are at the highest state of security and are patched accordingly.

This security system limits data access to Department and contract staff on a "need to know" basis, and controls individual users' ability to access and alter records within the system. Personal computers used to access the electronic records are password protected and passwords are changed periodically throughout the year.

RETENTION AND DISPOSAL:

Service agreements between the Department and an employee and related supporting documents resulting in approval for program benefits will be retained for a period of three years after the employee satisfies the terms and conditions of the agreement. All other documents will be retained in accordance with the National Archives and Records Administration (NARA) General Records Schedules (GRS) 1.

SYSTEM MANAGER(S) AND ADDRESS:

Director, Office of Human Resources, Learning and Development Division, U.S. Department of Education, 400 Maryland Avenue SW., Washington, DC 20202-4573.

NOTIFICATION PROCEDURE:

If you wish to inquire whether a record exists regarding you in this system, you should contact the system manager at the address listed above. You must provide your name, name of organization, and subject matter. Your request must meet the requirements of the Department's Privacy Act regulations at 34 CFR 5b.5, including proof of identity.

RECORD ACCESS PROCEDURES:

If you wish to request access to your records, you should contact the system manager at the address listed above. You must comply with the Department's Privacy Act regulations at 34 CFR 5b.5, including proof of identity.

CONTESTING RECORD PROCEDURES:

If you wish to request an amendment to your records, you should contact the system manager at the address listed above. Your request must meet the requirements of the Department's Privacy Act regulations at 34 CFR 5b.7.

RECORD SOURCE CATEGORIES:

Information in this system of records is obtained from the individual to whom the information applies, lending institutions holding student loans for the individual to whom the information applies, officials of the Department, and official Department documents.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

None.

DEPARTMENT OF ENERGY**Revision of a Currently Approved Information Collection for the State Energy Program**

AGENCY: U.S. Department of Energy.

ACTION: Submission for Office of Management and Budget (OMB) review; public comment request.

SUMMARY: The Department of Energy (DOE) invites public comment on a revision of a currently approved collection of information that DOE is developing for submission to the Office of Management and Budget (OMB) pursuant to the Paperwork Reduction Act of 1995. The information collection requests a revision and three-year extension of its State Energy Program, OMB Control Number 1910-5126.

The proposed action will continue the collection of information on the status of grantee activities, expenditures, and results, to ensure that program funds are being used appropriately, effectively and expeditiously.

Comments are invited on: (a) Whether the revision of the currently approved collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden pertaining to the approved collection of information, including the validity of the methodology and assumptions used; (c) ways to further enhance the quality, utility, and clarity of the information being collected; and (d) ways to further minimize the burden regarding the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments regarding this revision to an approved information collection must be received on or before February 21, 2017. If you anticipate difficulty in submitting comments within that period, contact the person listed in **ADDRESSES** as soon as possible.

ADDRESSES: Written comments may be sent to

DEPARTMENT OF ENERGY

Proposed Subsequent Arrangement

AGENCY: Office of Nonproliferation and Arms Control, Department of Energy.

ACTION: Proposed subsequent arrangement.

SUMMARY: This document is being issued under the authority of the Atomic Energy Act of 1954, as amended. The Department is providing notice of a subsequent arrangement under the Agreement for Cooperation Between the Government of the United States of America and the Government of the Republic of Korea Concerning Peaceful Uses of Nuclear Energy and the Agreement for Cooperation Between the Government of the United States of America and the Government of the

United Arab Emirates Concerning Peaceful Uses of Nuclear Energy.

DATES: This subsequent arrangement will take effect no sooner than January 9, 2017.

FOR FURTHER INFORMATION CONTACT: Mr. Richard Goorevich, Office of Nonproliferation and Arms Control, National Nuclear Security Administration, Department of Energy. Telephone: 202-586-0589 or email: Richard.Goorevich@nnsa.doe.gov.

SUPPLEMENTARY INFORMATION: This subsequent arrangement concerns the retransfer of 9,003,960g of U.S.-origin enriched uranium oxide (UO₂), containing 158,122g of the isotope U-235 (less than five percent enrichment) in the form of 302 low-enriched fuel assemblies, from the Korea Electric Power Corporation Nuclear Fuel Co., Ltd. in Daejeon, Republic of Korea, to the Emirates Nuclear Energy Corporation in Abu Dhabi, United Arab Emirates. The fuel assemblies will be used for nuclear power generation at the Barakah Nuclear Power Plant. In accordance with section 131a. of the Atomic Energy Act of 1954, as amended, it has been determined that this subsequent arrangement concerning the retransfer of nuclear material of United States origin will not be inimical to the common defense and security of the United States of America.

Dated: December 13, 2016.

For the Department of Energy.

Anne M. Harrington,

Deputy Administrator, Defense Nuclear Nonproliferation.
