INITIAL PRIVACY ASSESSMENT (IPA)

The IPA is a compliance form developed by the Privacy Branch to identify the use of Personally Identifiable Information (PII) across the Department. The IPA is the first step in the PII verification process, which focuses on the following areas of inquiry:

- Purpose for the information,
- Type of information,
- Sensitivity of the information,
- Use of the information,
- And the risk to the information.

Please use the attached form to determine whether a Privacy Impact Assessment (PIA) is required under the E-Government Act of 2002 or a System of Record Notice (SORN) is required under the Privacy Act of 1974, as amended.

Please complete this form and send it to your program Privacy Liaison Officer (PLO). If you do not have a program Privacy Liaison Officer, please send the IPA to the HUD Privacy Branch:

Janice Noble, Branch Chief
Privacy Branch
U.S. Department of Housing and Urban Development

privacy@hud.gov

Upon receipt from your program PLO, the HUD Privacy Branch will review this form. If a PIA or SORN is required, the HUD Privacy Branch will send you a copy of the PIA and SORN templates to complete and return.
