

Post webinar customer survey for HSI listening sessions

Overview:

Survey is done through Survey Monkey: (<https://www.surveymonkey.com/r/EHRHSCriticalNeeds>) and will require approximately 5-8 minutes to complete.

This is an optional survey post webinar for those who wanted to provide information but were unable to during the webinar on opportunities regarding undergraduate STEM education at 2-year and 4-year Hispanic-Serving Institutions.

Materials in SurveyMonkey:

Dear Colleague,

Within the 5 categories below, please indicate what you feel are the 2-3 most critical needs at Hispanic-Serving Institutions. If you identify an area that is not listed below, then add that at the end of the form (category 6).

1. Student support (e.g., recruitment & retention, transitions, financial support, internships, mentoring)
 - a.
 - b.
 - c.

2. Faculty support (e.g., release time, research opportunities, training in pedagogy, professional development)
 - a.
 - b.
 - c.

3. STEM curricula enhancement (e.g., STEM courses revitalization, aligning high school and college STEM curricula, STEM curriculum and undergraduate research, teaching developmental mathematics)
 - a.
 - b.
 - c.

4. Integration of research and education (e.g., faculty awareness of promising practices, impact on student learning)

a.

b.

c.

5. Partnerships (e.g., articulation agreement; partnership with 2-year and 4-year institutions to enhance research and teaching capacity, industry partnerships and student internships, partnerships to address pipeline and career issues)

a.

b.

c.

6. Other area(s) and needs not identified above: (e.g., laboratory space, classroom infrastructure, instrumentation for teaching)

a.

b.

c.
