

Post-Meeting Survey Protocol

Thank you in advance for completing this brief survey. We value your input. The answers you provide will be used by the NSF INCLUDES Coordination Hub to help inform our work to strengthen the Network. This survey is not anonymous, but we will not associate your personal or organizational name to specific responses in any public documents without first getting your permission to do so. Your responses will be kept confidential unless and until you provide such permission. The survey will take about 20 minutes to complete.

Section A: Demographics

Have you ever received funding from NSF INCLUDES? *(check one; required)*

- Yes
- No

(Logic; If yes) How many NSF INCLUDES awards have you received? *(check one; required)*

- One
- Two
- More than two

Please select the affiliation that best describes you: *(check one; required)*

- Alliance
- DDLP
- Other INCLUDES-funded project
- NSF
- Other Funder
- Other: _____

(Logic; If selects Alliance or DDLP) Do you know your grant #? *(required)*

- Yes
- No

(Logic; If yes) Please write your grant #: _____

(Logic; If no) Please write your full project name: _____

Please select the role that best defines you: *(check one; required)*

- Principal Investigator
- Director
- Team Member
- Partner
- Backbone
- Evaluator
- Other: _____

Section B: Satisfaction with meeting

As a result of participating in the Network Convening. . .	Strongly disagree	Disagree	Agree	Strongly agree
I was satisfied with the opportunities provided to network with other grantees				
I found the sessions generally interactive and engaging				

I thought the session formats were adequately balanced, (e.g., among presentation, interaction, application, and learning)				
I am inspired to take action towards achieving our broadening participation goals				
I am inspired to further contribute to the network				
I see the value of working collaboratively with other members of the INCLUDES network				
I can more clearly visualize how my work is part of something much bigger				
My work was made more visible to the Network				

Section C: Post-meeting action

As a result of my participation in this convening... (required)	Strongly disagree	Disagree	Agree	Strongly agree
I identified someone I don't work with currently whom I plan to contact to explore shared interests				
I identified at least one new implementation strategy that I plan to try				
I learned something that will change my approach to my work				
I identified new funding or other resources that I plan to pursue to help sustain my work				
I plan to join an affinity group to connect with others in the network around a topic of interest to me				
I plan to adopt a new communication strategy with one or more external stakeholder				
I plan to follow up with someone to request a resource or share a resource				

Did you have a personal aha (epiphany) and/or professional discovery moment during this meeting? If so, please describe (*open-ended text box; optional*)

What is the most valuable thing/entity you gained from this meeting that you plan to take back to your organization or partnership? (*open-ended text box; optional*)

Section D: NSF INCLUDES Value

For each statement listed below, indicate whether the statement is important for the NSF INCLUDES network.

		<i>Importance</i>		
The NSF INCLUDES Network . . .	I am unsure what this means	This is not important	This is somewhat important	This is very important
Is a valuable resource for finding solutions to challenges or new ideas for innovation.				
Strengthens our project’s efforts to broaden participation.				
Provides valuable opportunities for new partnerships and collaboration.				
Is working toward outcomes that our project cares about.				
Has clearly articulated its vision and mission.				
Amplifies the work of individual projects towards broadening participation in STEM.				
Is an important tool for building the field of broadening participation.				

For each statement listed below, indicate the extent to which you see each evidence of each concept currently happening in the Network.

	<i>Evidence</i>		
The NSF INCLUDES Network . . .	I do not see evidence of this value yet	I see emerging evidence of this value	I see strong evidence of this value
Is a valuable resource for finding solutions to challenges or new ideas for innovation.			

Strengthens our project's efforts to broaden participation.			
Provides valuable opportunities for new partnerships and collaboration.			
Is working toward outcomes that our project cares about.			
Has clearly articulated its vision and mission.			
Amplifies the work of individual projects towards broadening participation in STEM.			
Is an important tool for building the field of broadening participation.			

Only Alliances, DDLPs or other INCLUDES projects will respond to the following (skip logic)

Please rate your agreement with the following statements about your NSF INCLUDES project.

	Strongly Disagree	Disagree	Agree	Strongly Agree	Don't Know
Our project team is aware of all the resources available to the NSF INCLUDES Network.					
Our project's mission and vision are well-aligned with that of the NSF INCLUDES Network.					
Our project's shared measures align well with the Network's measures.					
Our project work focuses on removing structural barriers to STEM participation.					
We engage students and/or community members in setting priorities.					
Our project is well-connected to other members of the Network.					
Our project is clear about its role in and the contributions we can make to the Network.					
The role of the NSF INCLUDES Coordination Hub in the NSF INCLUDES Network is clear.					

Section E: Other

What questions do you have that were not addressed to your satisfaction during the convening?
(open-ended text box; optional)

What went particularly well during this convening? (open-ended text box; optional)

Is there anything that NSF INCLUDES could do differently next time to make the convening more valuable to you? (open-ended text box; optional)
