

Dear C-Accel Phase 1 Award Team Member:

During October 1-4, 2019, the NSF Convergence Accelerator Pilot (NSF C-Accel or C-Accel) held a workshop at NSF headquarters in Alexandria, Virginia. Representatives from all Phase I award teams were invited to participate. The event included training and networking opportunities.

As a member of a Phase I award team and participant in the workshop, you have been selected to provide feedback about your experiences with the kick-off event training sessions. This feedback is important and will help to make improvements to the NSF C-Accel program for the future.

We expect the survey to take approximately 15 minutes. Please follow the link to the survey:
