

Dear C-Accel Phase 1 Award Team Member:

During December 2-5, 2019, the NSF Convergence Accelerator Pilot (NSF C-Accel or C-Accel) held a workshop at NSF headquarters in San Francisco, CA. The event included training and networking opportunities. Representatives from all Phase I award teams were invited to participate.

As a member of a Phase I award team and participant in the workshop, you have been selected to provide feedback about your experiences with the training sessions. This survey also provides an opportunity for you to give feedback on C-Accel coaching sessions in which you may have participated from October 2019 to February 2020. This feedback is important and will help to make improvements to the NSF C-Accel program for the future.

We expect the survey to take approximately 25 minutes. Please follow the link to the survey:
