SURVEY OF FORMER PARTICIPANTS

Notice

An agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is XXXX-XXXX and expires on mm/dd/yy. Public reporting burden for this collection of information is estimated to average XXXX minutes to complete the survey, including the time for reviewing instructions. Send comments regarding the burden estimate and any other aspect of this collection of information, including suggestions for reducing this burden, to:

S5.c1.	☐ An undergraduate student ☐ A graduate student					

S5.c2. Enrolled in [UNIVERSITY]

O Yes

O No <Ask>

In what university or universities were <u>you enrolled when you</u> conducted the international research? Text box, xx

[If screened out]

Your answers indicate that you are <u>not</u> the intended person for this survey.

Thank you for your time!

[If screened in]

Your answers indicate that you qualify for this survey!

You may have had multiple international research experiences in your career. Please provide responses thinking of your FIRST international research experience as part of the IRES program.

If you do not recall participating in IRES, please think of your FIRST international research experience.

If you need to stop before you have finished, please click on the Suspend button at the bottom of each page to exit the survey. The data you provide prior to clicking will be securely stored and available when you return to complete the survey.

For security purposes, you will be timed out if you are idle for longer than 30 minutes.

5. Before traveling abroad for your research experience, what was your proficiency level in the primary language spoken in your host country?

Please remember to provide responses thinking of your FIRST international research experience—as part of the IRES program if you remember participating in IRES.

- O No proficiency (may be able to make simple statements but with very limited overall understanding of the language)
- O Novice level (able to communicate short, simple messages on familiar topics)
- O Intermediate level (able to have discussions on familiar topics)
- O Advanced level (able to understand and participate in any conversations)
- O Native or bilingual level (complete fluency)

6. Which of the following did you do as part of your IRES international research experience?

Select all that apply

Developed the ideas, hypotheses, broad framework, or vision for the research project Researched literature relevant to the project

Developed instrumentation, software, equipment, or data collection processes Synthesized or fabricated materials

Prepared samples or specimens

Conducted fieldwork or field observations

Collected data from a lab or office or carried out simulations

Analyzed data

Interpreted results

Planned or developed follow-up work based on results

Prepared summaries of results for dissemination (in publications or presentations)

Presented my work to other students, faculty or researchers (in a seminar, conference or other venue)

Mentored other students conducting research or led a student research team
