

March 2017

2016 Annuity Supplement Earnings Report

RI 92-22, OMB Control Number 3206-0194

Justification for No Material/Non-Substantive Change

Minor editorial changes have been incorporated to this information collection to include:

Updating the year of the annuity supplement earnings report; update to the allowable earning amount for the year 2016; the year of birth chart, used to find out what should be reported based on their year of birth. The revision date of the form was updated.
