Survey for the Monitoring Programs Division (MPD) Extranet Website

#### **PURPOSE:**

To evaluate the effectiveness of the MPD Extranet (AgnisX) and to get feedback from State Cooperative Agreement users to improve or replace the MPD Extranet. Several of the State Users have complained of the lack of connectivity and security permission issues when trying to access the MPD Extranet. The MPD management is trying to define where those users are and what resolutions or alternatives are available to share program information.

#### **DESCRIPTION OF RESPONDENTS:**

The respondents are State employees who participate in the USDA-AMS-ST-MPD Pesticide Data Program under cooperative agreements. Each State, with the exception of California, has one cooperative agreement; California has two cooperative agreements. The Cooperative Agreements have multiple users who have access to the MPD Extranet.
