**PART C:**

**INTERVIEWER:** The number of meals an SFA claims for a school may differ from what the schools report to the SFA because the SFA makes an error or because the SFA is correcting an error in the school's meal counts.

- COMPARE BREAKFAST COUNTS AND CLAIMS.** First for breakfast, compare the SFA claims against the school reports for each meal type (free, reduced-price, paid, and total) for the target month. [Or for CEO schools, free, paid and total for the target month]. If they differ, then check the SFA records to see if there are any notes in the file indicating that the SFA corrected the school breakfast counts and document in the space provided below under "COMMENTS."
