Dear «Retail_Manager»:

Recently, you received a survey on the use of scanning technologies to redeem SNAP benefits. RTI International is conducting this survey for the U.S. Department of Agriculture, Food and Nutrition Service (FNS). If you have already returned the survey, we would like to thank you. Your help is very much appreciated. If you have not yet returned the survey, please complete the enclosed survey and mail it back in the prepaid envelope provided within the next week.

To complete the survey via the Internet on a personal computer, laptop, or mobile device, please follow these instructions:

1. In your Web browser, type the study's Web site address: <https://scanr.rti.org>.
2. On the login screen, type your username and password exactly as shown below:

Username: [Case ID]

The information you provide will help FNS develop regulations that may make installing and using scanning technology easier for you as a small retailer. ***We need to hear from all retailers, including those that have scanners in place and those that do not.***

If you have any questions, please contact the Survey Helpline toll-free at 1-XXX-XXX-XXXX or SCANR_Survey@rti.org.

Thank you for your participation.

Sincerely,
