Educational Materials Notes

Please add any additional notes you feel are important about this educational material. If you were able to answer "other" to any of the questions within the Educational Materials Section, please use this area to provide more details.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0518-0031. The time required to complete this information will vary based upon one's relationship to the resource being submitted. It is estimated to take 10 minutes to complete the entire survey. This includes time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you need help with this form, please contact us.
