Instructions
APPLICATION TO TRANSFER QS/IFQ TO, OR FROM,
AN ELIGIBLE CRAB COMMUNITY ORGANIZATION (ECCO)

In the Crab Rationalization (CR) program, eligible cities and boroughs may hold and fish quota share (QS) and individual fishing quota (IFQ). Such communities may be represented by an Eligible Crab Community Organization (ECCO) to provide for transfers of QS/IFQ to and from (and between) ECCOs. Use this application to apply for a transfer of QS or IFQ to or from an ECCO.

Any party to whom the QS/IFQ is proposed to be transferred must hold a Transfer Eligibility Certificate (TEC). If the application is to permanently transfer QS from an ECCO to another party, the application must be signed by a representative of the community for whom the ECCO holds the QS.

This application must be approved by the Regional Administrator before the transferee may use the IFQ to harvest crab QS species.

NMFS will not process or approve this application unless both parties to the proposed transfer have met all the requirements and conditions of the CR Program, including (as appropriate):

- ◆ Submit an Economic Data Report (EDR).
An EDR is required from any owner or leaseholder of a vessel or processing plant that harvested or processed crab in specified CR Program crab fisheries during the prior calendar year. The annual EDR submission deadline is June 28.

To request that a printed EDR be mailed to you (at no cost), contact

Pacific States Marine Fisheries Commission
205 SE Spokane, Suite 100
Portland, OR 97202

Telephone: 1-877-741-8913

e-mail: info@psmfc.org

- ◆ Payment of all outstanding fees to NMFS on or before July 31.
All CR allocation holders and Registered Crab Receiver (RCR) permit holders are subject to a fee liability for any CR crab debited from a CR allocation during a crab fishing year, except for crab designated as personal use or deadloss, or crab confiscated by NMFS or the State of Alaska. The annual cost recovery fee submission deadline is on or before July 31.

This Application for the Transfer of Crab QS or PQS to or from an ECCO will not be processed between August 1 of any year and the date of issuance of the IFQ or IPQ in CR Program fishery.

Complete the entire application and submit to NMFS, including all attachments; failure to do so could result in delays in the processing of your application.

Please submit an original application only -- a photocopy of an application, or an application submitted by fax will not be processed. Also, ensure that signatures on the application are original and are notarized. RAM will not process an application that does not bear original signatures (faxed applications are not

accepted). All signatures must be witnessed by a Notary Public (or, in some remote areas, the community Postmaster or Postmistress).

Please allow at least **ten working days** for your application to be processed. Without exception, RAM processes applications in the order in which they are received.
