

## **FAST TRACK Feedback Requests**

### **Consider using the Fast Track process for your data collection activities when:**

- The data collection is focused on the awareness, understanding, attitudes, preferences, or experiences of customers or other stakeholders (e.g., delivery partners; co-regulators; potential customers) in order to improve existing or future services, products, or communication materials;
- The data collection is voluntary and non-controversial
- Statistical rigor is not required;
- The burden on participants is not high; and
- Public dissemination of results is not intended.

### **Submissions to OMB for approval under the Fast Track require:**

1-a completed Fast Track request form

2-a copy of the collection instrument(s) (i.e. list of focus group question, copy of complaint form, copy of satisfaction survey)

3-Fast Track requests will be cleared by OMB within 5 days of receipt. Be aware that USPTO requests must be processed and only one type of request can be submitted at a time. Each request is taken in turn. It is best to plan for 4-8 weeks from draft of request to approval.

Samples of Fast Track requests can be found on [www.reginfo.gov](http://www.reginfo.gov), under collection 0690-0030 or obtained from the Records Management Division, OCIO.
