Patent Examiner Regional Recruitment Open House - Dallas

The U.S. Patent & Trademark Office (USPTO) is opening a regional office in Dallas-Fort Worth opening November 2015, with new patent examiners starting January 2016 and we are actively recruiting up to 75 talented Electrical, Computer or Mechanical Engineers to work for us!

Ready to launch your engineering career? We're holding a career fair to meet you!

Join us for a Patent Examiner Recruitment Open House on Friday, September 18th, or Saturday, September 19th, at the Sheraton Dallas Hotel located at 400 North Olive Street to learn about exciting job opportunities based in our new offices in the Terminal Annex Federal Building in downtown Dallas.

Attend one of the ongoing information sessions we'll hold throughout both days, and then meet directly afterward with representatives from the USPTO Patents Organization to learn more about the job and answer any questions you have. You'll also receive information about our competitive pay, tremendous benefits, and why USPTO is consistently ranked one of the Best Places to Work in the Federal Government®.

Those who qualify will be encouraged to apply to our open vacancy announcements. Candidates cannot be officially considered for open positions without submitting a completed application within USAJobs.gov.

Why Work At USPTO?

USPTO Patent Examiners have granted patents for some of the world's biggest game-changing innovations. Think iPhone, the electric guitar, wearable cameras and...the Super Soaker!

Patent Examiners with the USPTO:

- Support economic growth in the United States and work with cutting-edge, modern innovations
- Work with the largest intellectual property rights entity in the nation
- Gain experience, training and mentorship in patent examination
- Conduct research and interact with inventors working on modern breakthroughs
- Enjoy competitive pay, performance-based awards, flexible schedules and telework opportunities!
