Welcome

OMB Control No. 0651-0080

Expiration Date: 8/31/2018

Thank you very much for volunteering your time and providing your feedback regarding your experiences with the United States Patent and Trademark Office (USPTO). Your voluntary response will be confidential and data will be analyzed in aggregated format only. The survey is designed to measure your opinion about the services that the USPTO provides for you as an applicant filing without legal representation. The results from this voluntary survey will assist us in guiding improvements and enhancements in the future.

The survey should take no more than 15 minutes to complete. For general questions regarding the purpose of the survey, contact Darnell Jayne (darnell.jayne@uspto.gov). If you encounter any problems with the survey instrument, contact Michael Easdale (michael.easdale@uspto.gov).

Click 'Next' below to begin the survey.

Under the Paperwork Reduction Act of 1995, persons are not required to respond to a collection of information unless it displays a valid OMB Control Number. The valid OMB control number of this information collection is 0651-0080. This survey will gather feedback from applicants who file without legal representation. The USPTO will aggregate all responses and use the data gathered to determine how best to improve its Pro Se services. The USPTO estimates that it will take respondents approximately 15 minutes to complete the survey. This collection of information is voluntary in accordance with E.O. 12862, "Setting Customer Service Standards." All responses will remain confidential and are protected under the "Confidential Information Protection and Statistical Efficiency Act of 2002."
