## **Part 3A: Personnel - Transplant Program Director(s)**

Identify the surgical and/or medical director(s) of the intestine transplant program and submit a C.V. for each program director. Briefly describe the leadership responsibilities for each individual.

Name	Date of Appointment	Primary Areas of Responsibility

## Part 3B, Section 1: Personnel - Surgical - Primary Surgeon

1.	Identify the primary intestine transplant surgeon:	

Name:			

a) Provide the following dates (use MM/DD/YY):

Date of employment at this hospital:	
Date assumed role of primary surgeon:	

b) Does the surgeon have FULL privileges at this hospital?

Yes	
No	

If the surgeon does **not** currently have full privileges:

Date full privileges to be granted (MM/DD/YY):
Explain the individual's current credentialing status, including any limitations on practice:

c) How much of the surgeon's professional time is spent on site at this hospital?

Percentage of professional time on site:	
Number of hours per week:	

d) How much of the surgeon's professional time is spent on site at other facilities (hospitals, health care facilities, and medical group practices)?

Facility Name	Туре	Location (City, State)	% Professional Time On Site

e) List the surgeon's current board certification(s) below. If board certification is pending, indicate the date the exam has been scheduled. If the surgeon has been recertified, use that date. Provide a copy of certification(s). If the surgeon does not have current American or Canadian board certification, provide letters of recommendation requesting this exception and provide the plan for continuing education as described in the OPTN Bylaws.

Certification Type	Certificate Effective Date (MM/DD/YY)	Certificate Valid Through Date (MM/DD/YY)	Certification Number

Department of Health and Human Services Health Resources and Services Administration XX/XX/XXXX

OMB No. 0915-0184 Expiration Date:

f) Check the applicable pathway through which the surgeon will be proposed. Refer to the OPTN Bylaws for the necessary qualifications and more specific descriptions of the required supporting documents.

Membership Criteria		
Full Approval		
Conditional Approval		

g) Transplant Experience: List the name(s) of the transplant hospital(s), applicable dates, program director name(s), and the number of transplants and procurements performed by the surgeon at each transplant hospital.

	ate DD/YY)	App	rove d gram	Transplant Hospital	Program Director	# Intestine Transplants as Primary	# Intestine Transplan ts as 1 <sup>st</sup> Assistant	# of Intestine Procurement s as Primary or 1st Assistant
Start	End	Y	N	-	_	-		

Expiration Date: XX/XX/XXXX

h) Describe in detail the proposed primary surgeon's level of involvement in  $\underline{\textbf{this}}$  transplant program as well as  $\underline{\textbf{prior}}$  training and experience.

# **Table 7: Program Coverage Plan**

**Provide a written copy of the program's current coverage plan** and answer the questions below.

The copy of the program coverage plan must be signed by either the:

- a. OPTN/UNOS Representative; or
- b. Program Director(s); or
- c. Primary Surgeon and the Primary Physician.

	Ye	N
Is this a single surgeon program?	S	0
Is this a single surgeon program?		
If single surgeon or single physician, submit a copy of the patie	nt notice	2 or
the protocol for providing patient notification.	IIL HOLICE	2 01
Does this transplant program have transplant surgeon(s)		
and physician(s) available 365 days a year, 24 hours a day,		
7 days a week to provide program coverage?		
If the answer to the above question is "No," an explanation mu	st he nro	nvided
that justifies why the current level of coverage should be accept		
MPSC. Please use the additional information section below.	tubic to	CITC
Transplant programs shall provide patients with a written		
summary of the Program Coverage Plan at the time of		
listing and when there are any substantial changes in		
program or personnel. Has this program developed a plan		
for notification?		
Is a surgeon/physician available and able to be on the		
hospital premises to address urgent patient issues?		
Is a transplant surgeon readily available in a timely manner		
to facilitate organ acceptance, procurement, and		
implantation?		
A transplant surgeon or transplant physician may not be on		
call simultaneously for two transplant programs more than		
30 miles apart unless circumstances have been reviewed		
and approved by the MPSC. Is this program requesting an		
exemption?		
If yes, provide explanation:		
Unless exempted by the MPSC for specific causal reasons,		
the primary transplant surgeon/primary transplant		
physician cannot be designated as the primary		
surgeon/primary transplant physician at more than one		
transplant hospital unless there are additional transplant surgeons/transplant physicians at each of those facilities.		
Is this program requesting an exemption?
