Form Approved  
OMB No. 0920-1027  
Expiration Date 07/31/2020

### Site Visit Evaluation: Immediate Follow-up

Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-1027)

**Recently, a Laboratory Capacity Team (LCT) Consultant from the Centers for Disease Control and Prevention, Division of Tuberculosis Elimination, Laboratory Branch, conducted a site visit at your TB laboratory. LCT would like to invite you to provide feedback on this recent site visit to enhance future site visits.**
