

PRINCIPLES of CLINICAL PHARMACOLOGY

2016-2017

September 12, 2016 - April 14, 2017

Form Approved
OMB Number 0925-0698
Exp. Date 05/31/2017

REMOTE SITE PARTICIPANT REGISTRATION

2016-2017 Principles of Clinical Pharmacology Course

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0698). Do not return the completed form to this address.

Notice: You have left NIH-managed Web pages and have been redirected to a contractor's website operating on behalf of the NIH Clinical Center Office of Clinical Research Training and Medical Education. For information about our Privacy Policy, [click here](#).

Complete the form below and click the Register button at the bottom of the page.

Note: Remote-site participant registration is open only to individuals who are affiliated with an approved remote site. If your remote site is not listed on the site, please visit <http://www.cc.nih.gov/training/training/principles/application.html> for instructions on submitting a remote site request.
