Privacy Act Statement:

Privacy Act Statement

Collection and Use of Personal Information

Section 205 of the Social Security Act, as amended; the Government Paperwork Elimination Act (P.L. 105-277); and the Federal Information Security Management Act of 2002 (Title III) of the E-Government Act of 2002 (P.L. 107-347) authorize us to collect this information to allow you access to our online services. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent you from using our online services.

We will use the information to identify who you are before we provide you with the information you are requesting. We also use an external [Identity Services Provider](#) to verify your information against their records. We do not share your Social Security number with them, and they keep your information only for the time permitted by federal laws. We use their fraud prevention services to assist in protecting you from identity theft. We may also share your information for the following purposes, called routine uses:

1. To other Federal agencies and our contractors, including external data sources, to assist us in administering our programs; and
2. To appropriate Federal, State, and local agencies, entities, and persons when: (a) We suspect or confirm a compromise of security or confidentiality of information; (b) We determine that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, risk of identity theft or fraud, or harm to the security or integrity of this system or other systems or programs that rely upon the compromised information; and (c) We determine that disclosing the information to such agencies, entities, and persons will assist us in our efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0373, entitled Central Repository of Electronic Authentication Data Master File. Additional information and a full listing of all our SORNs are available on our website at www.socialsecurity.gov/foia/bluebook.

This Privacy Act Statement applies to the entire online authentication process and credential issuance, which includes account setup to account maintenance.

Paper Reduction Act:

Paperwork Reduction Act: *my* Social Security

Last reviewed or modified 11/01/2016

PRA-MYSSA

This information collection meets the requirements of 44 U.S.C. 3507, as amended by section 2 of the *Paperwork Reduction Act of 1995*. You do not need to answer these questions unless we display a valid Office of Management and Budget (OMB) control number.

The OMB control number for collection of this information is 0960-0789. The expiration date is October 31, 2017.

We estimate it will take about 8 minutes to read the instructions, gather the facts and answer the questions.

You may send comments on our time estimate to:

Social Security Administration
6401 Security Blvd.
Baltimore, MD 21235-0001

Send only comments on our time estimate to this address, nothing else.

Registration:

Create Account - Terms of Service

Terms of Service

You must be able to verify some information about yourself and:

- Have a valid email address,
- Have a Social Security number,
- Have a U.S. mailing address, and
- Be at least 18 years of age.

You can only create an account using your own personal information and for your own exclusive use. You cannot create an account on behalf of another person or using another person's information or identity, even if you have that person's written permission.

For example, you cannot create an account for another person:

- With whom you have a business relationship
- For whom you are a representative payee, or
- For whom you are an appointed representative.

Only you can use the account that you create with us. You can never share the use of your account with anyone else under any circumstances. You can never use another person's account.

What will we do with your information?

We use the information you give us to verify your identity against our records. We also use an external [Identity Services Provider](#) to verify your information against their records. We do not share your Social Security number with them, and they keep your information only for the period of time permitted by federal laws, regulations, or guidelines. We use their fraud prevention services to assist in protecting you from identity theft.

When you make a verification request to establish your account, our [Identity Services Provider](#) may use information from your credit report to help verify your identity. As a result, you may see a "soft" inquiry entry on your credit report with the [Identity Services Provider](#), indicating that the Social Security Administration made an inquiry at your request and the date of that request. Soft inquiries do not affect your credit score, and you do not incur any charges related to them. Soft inquiries are displayed in the version of the credit report provided to a consumer and are not reported to lenders. Soft inquiries will not appear on your credit report from other providers. Soft inquiries are generally removed from your credit report after 12 months. Once you have registered for an online account, you will not generate additional soft inquiries by logging in to access our services.

What happens if you provide false information or misuse this service?

You may be subject to criminal or civil penalties, or both, if you provide false or misleading statements to sign in or create an account or engage in unauthorized use of this service.

Who is responsible if the device you are using is not adequately safeguarded?

You accept that the responsibility to properly protect any information provided to you by Social Security is yours and that you are the responsible party should any information on or from your computer or other device be improperly disclosed. You agree that Social Security is not responsible for the improper disclosure of any information that Social Security has provided to you, whether due to your own negligence or the wrongful acts of others.

Social Security is Going "Green"

When you create a [my Social Security](#) account, you will no longer receive a paper *Social Security Statement* in the mail. You will, however, receive an email reminder — which contains no personal information — approximately three months before your birthday, to remind you to review your *Statement* online.

If you need a *Statement* by mail, please [follow these instructions](#).

With your [my Social Security](#) account, you can immediately view, download, or print your *Statement*. Your online *Statement* contains the most up-to-date information in our records about your earnings and benefit.

I agree to the Terms of Service.

Why Are these questions Important link is clicked

Why are these questions important? ✕

We collect and evaluate this information as a security measure to ensure that only you are able to access your personal information. We will not store your answers.

Any time you deal with us, we must verify your identity. We have to make sure that only you can get your personal information.

If you visit a Social Security office, we check your photo ID and ask you questions.

We must be extra careful to protect your identity online. We are using an Identity Services Provider to help us verify your identity. We will not share your Social Security number with them.

These questions are designed so that only you should know the answer. If someone stole your wallet, he or she should not be able to answer these questions.

If you prefer not to answer these questions, you can verify your identity by visiting your local Social Security office.

Privacy and Security
[OMB No. 0960-0789](#) [Privacy Policy](#) [Privacy Act Statement](#) [Accessibility Help](#)

Tips for protecting your identity selected:

How can I protect my identity?

Keep your account safe

- Don't share your username or password
- Don't write down your username or password where someone could see it
- Never allow a shared computer to "save" your username and password

If you are a victim of domestic violence or identity theft, you can block all electronic access to your personal information. In fact, anyone can block access at any time for any reason. If you block access, no one, including you, will be able to see or change your personal information using our online or automated telephone services.

Here's where you can [Block Electronic Access](#) to your information.

Remember:

We will never ask you to reveal your password or financial information to us. If you get a phone call or Email message asking for your password or financial information, do not give it out. Report the call or the Email to us by calling 1-800-269-0271 (TTY 1-866-501-2101).

For more tips on protecting your password, visit www.onguardonline.gov.

For security reasons, your password will be valid for 6 months. If your password expires, we will ask you to change it the next time you sign in. You can also change your password at any time after signing in to your account.

Finish Set up Account Terms of Service

To finish setting up your account, you will need to:

1. enter some personal information,
2. enter the account activation code you received.
3. create a username and password.
4. choose how you want to receive your unique security code, and
5. enter the unique security code that we provide.

Terms of Service

You must be able to verify some information about yourself and:

- Have a valid email address,
- Have a Social Security number,
- Have a U.S. mailing address, and
- Be at least 18 years of age.

You can only create an account using your own personal information and for your own exclusive use. You cannot create an account on behalf of another person or using another person's information or identity, even if you have that person's written permission.

For example, you cannot create an account for another person:

- With whom you have a business relationship
- For whom you are a representative payee, or
- For whom you are an appointed representative.

Only you can use the account that you create with us. You can never share the use of your account with anyone else under any circumstances. You can never use another person's account.

What will we do with your information?

We use the information you give us to verify your identity against our records. We also use an external [Identity Services Provider](#) to verify your information against their records. We do not share your Social Security number with them, and they keep your information only for the period of time permitted by federal laws, regulations, or guidelines. We use their fraud prevention services to assist in protecting you from identity theft.

When you make a verification request to establish your account, our [Identity Services Provider](#) may use information from your credit report to help verify your identity. As a result, you may see a "soft" inquiry entry on your credit report with the [Identity Services Provider](#), indicating that the Social Security Administration made an inquiry at your request and the date of that request. Soft inquiries do not affect your credit score, and you do not incur any charges related to them. Soft inquiries are displayed in the version of the credit report provided to a consumer and are not reported to lenders. Soft inquiries will not appear on your credit report from other providers. Soft inquiries are generally removed from your credit report after 12 months. Once you have registered for an online account, you will not generate additional soft inquiries by logging in to access our services.

What happens if you provide false information or misuse this service?

You may be subject to criminal or civil penalties, or both, if you provide false or misleading statements to sign in or create an account or engage in unauthorized use of this service.

Who is responsible if the device you are using is not adequately safeguarded?

You accept that the responsibility to properly protect any information provided to you by Social Security is yours and that you are the responsible party should any information on or from your computer or other device be improperly disclosed. You agree that Social Security is not responsible for the improper disclosure of any information that Social Security has provided to you, whether due to your own negligence or the wrongful acts of others.

Social Security is Going "Green"

When you create a [my Social Security](#) account, you will no longer receive a paper *Social Security Statement* in the mail. You will, however, receive an email reminder — which contains no personal information — approximately three months before your birthday, to remind you to review your *Statement* online.

If you need a *Statement* by mail, please [follow these instructions](#).

With your [my Social Security](#) account, you can immediately view, download, or print your *Statement*. Your online *Statement* contains the most up-to-date information in our records about your earnings and benefit.

Maintenance

Account Setting

The screenshot shows the 'my Social Security' website interface. At the top, there is a navigation bar with 'my Social Security' logo on the left and 'Celia Amirian Sign Out' on the right. Below the navigation bar, there are links for 'My Home', 'Message Center', and 'Security Settings' (which is underlined). The main content area is titled 'Security Settings' and contains several sections:

- Security Option:** Standard - You may add extra security to your account. A link 'How does this work?' is selected and highlighted in blue. Below it is a button 'Add Extra Security'.
- Cell Phone Number:** (***-***-7663). A green checkmark indicates 'Enabled to receive Security Codes'. A link 'How can I stop receiving security codes by text?' is present. Below is a button 'Update Cell Phone Number'.
- Email Address:** testdev@ssa.gov. A note says 'Not enabled to receive Security Codes'. There are two buttons: 'Update Email' and 'Enable for Security Codes'.
- Password:** Expires in 180 days (August 22, 2017). A button 'Update Password' is present.
- A link 'Deactivate Online Account' is located below the Password section.

Below the Security Settings section is the 'Password Reset Questions' section. It states: 'If you forget your password, you can change it by answering your password reset questions.' It lists three questions:

- Question 1: **What is the middle name of your mother?**
- Question 2: **What was the model name of your first car?**
- Question 3: **What is the name of the hospital where you were born?**

At the bottom of the Password Reset Questions section is a button 'Update Password Reset Questions'.

At the very bottom of the page, there is a footer with the text 'Privacy and Security' and a row of links: 'OMB No. 0960-0789', 'Privacy Policy', 'Privacy Act Statement', and 'Accessibility Help'.

“How does this work?” link is selected:

How does this work?

You can opt for extra security to provide your account with an extra level of protection. If you would like to add extra security, you must answer a financial verification question. Adding extra security does not change the way that you sign in to your account. You must still sign in with your username, password, and a unique security code we will provide each time you sign in.

If the following statements are true for you, then extra security is an option for you:

- I am comfortable answering an identity verification question online.
- I am comfortable answering a financial verification question online.

How do I sign up for extra security?

When you first register, you must verify your identity by answering a security question. We will ask for one of the following:

- the last 8 digits of your Visa, MasterCard or Discover Card, or
- information from your W-2 tax form, or
- information from a 1040 Schedule SE (self-employment) tax form.

Finishing this process usually takes 5 to 10 business days. An upgrade code will be mailed to your home address. When you sign in to your account, you will be asked to enter the upgrade code in order to finish adding your extra security. In the meantime, you can sign in to your account using your username, password, and a unique security code we will provide each time you sign in.

Close

"How can I stop receive security code by text?" link is selected link is selected:

How can I stop receiving security codes by text?

You must always have at least one way of receiving security codes. To stop receiving security codes by text, you must set up another way to receive security codes.

Close

"How can I stop receiving security codes by email?" link is selected

How can I stop receiving security codes by email?

You must always have at least one way of receiving security codes. To stop receiving security codes by email, you must set up another way to receive security codes.

Close

Add Extra Security

- 1) Add Extra Security Terms of Service

What is extra security?

What is extra security?

Extra security is an added layer of protection for your account. If you would like to add extra security, you must answer a financial verification question. Adding extra security does not change the way that you sign in to your account. You must still sign in with your username, password, and a unique security code we will provide each time you sign in.

[Show me how this works.](#)

If the following statements are true for you, then extra security is an option for you:

- I am comfortable answering an identity verification question online.
- I am comfortable answering a financial verification question online.

To enable this feature, you will need to:

- answer a financial question
- provide one additional item of information that we can verify, and
- wait 5 to 10 business days for your upgrade letter to arrive in the mail to complete the process.

Terms of Service

What will we do with your information?

We use the information you give us to verify your identity against our records. We also use an external [Identity Services Provider](#) to verify your information against their records. We do not share your Social Security number with them, and they keep your information only for the period of time permitted by federal laws, regulations, or guidelines. We use their fraud prevention services to assist in protecting you from identity theft.

When you make a verification request to establish your account, our [Identity Services Provider](#) may use information from your credit report to help verify your identity. As a result, you may see a "soft" inquiry entry on your credit report with the [Identity Services Provider](#), indicating that the Social Security Administration made an inquiry at your request and the date of that request. Soft inquiries do not affect your credit score, and you do not incur any charges related to them. Soft inquiries are displayed in the version of the credit report provided to a consumer and are not reported to lenders. Soft inquiries will not appear on your credit report from other providers. Soft inquiries are generally removed from your credit report after 12 months. Once you have registered for an online account, you will not generate additional soft inquiries by logging in to access our services.

What happens if you provide false information or misuse this service?

You may be subject to criminal or civil penalties, or both, if you provide false or misleading statements to sign in or create an account or engage in unauthorized use of this service.

Who is responsible if the device you are using is not adequately safeguarded?

You accept that the responsibility to properly protect any information provided to you by Social Security is yours and that you are the responsible party should any information on or from your computer or other device be improperly disclosed. You agree that Social Security is not responsible for the improper disclosure of any information that Social Security has provided to you, whether due to your own negligence or the wrongful acts of others.

Social Security is Going "Green"

When you create a [my Social Security](#) account, you will no longer receive a paper *Social Security Statement* in the mail. You will, however, receive an email reminder — which contains no personal information — approximately three months before your birthday, to remind you to review your *Statement* online.

If you need a *Statement* by mail, please [follow these instructions](#).

With your [my Social Security](#) account, you can immediately view, download, or print your *Statement*. Your online *Statement* contains the most up-to-date information in our records about your earnings and benefit.

I agree to the Terms of Service

Next Cancel

2) Add Extra Security – Provide Information

Provide Information

Where can we mail the letter containing your upgrade code?

Must be a mailing address in the United States or a U.S. Territory.

Line 1	Line 2	
<input type="text"/>	<input type="text"/>	
City/Town	State/Territory	ZIP Code
<input type="text"/>	-- <input type="text"/>	<input type="text"/>

Primary Phone Number  I don't have a phone number.

We only need this to verify your identity.

Verify your Identity

To add extra security, you must first verify your identity with one of the following:

- the last 8 digits from your Visa, MasterCard or Discover Card
- information from a W-2 tax form
- information from a 1040 Schedule SE (self-employment) tax form

[Privacy and Security](#)

[OMB No. 0960-0789](#) [Privacy Policy](#) [Privacy Act Statement](#) [Accessibility Help](#)

3) Add Extra Security Successfully validated – confirmation

Thank you for your information.

Because you're adding extra security, you'll receive step-by-step instructions in the mail in 5 to 10 business days.

What happens now?

In 5 to 10 business days:

- You will receive a letter in the mail with an upgrade code and step-by-step instructions for upgrading your extra security.
- In the meantime, you can still use your online account.
