However, failure to provide all or part of the information requested on this form will prevent assignment of your Ticket to Work to your selected provider of services.

We rarely use the information you supply for any purpose other than for monitoring the progress of a participant in the Ticket to Work and Self Sufficiency Program. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to:

- (4) To facilitate statistical research, audit or investigative activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, state or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally funded and administered benefit programs and for repayment of payments or delinquent debts under these programs.

A complete list of routine uses for this information is available in Systems of Record Notices 60-0295 and 60-0300.
