

2016 Needs Assessment

The Capacity Building Collaborative is committed to continuously improving the relevance and utility of services provided. Please take a few minutes to provide your feedback to inform our Annual Needs Assessment so that we provide the most appropriate products and services. Your comments will be incorporated into planning and help strengthen Capacity Building Collaborative services to better meet your needs. Your participation in this survey is entirely voluntary, and your responses will be held in confidence and reported in aggregate without identifying information. The survey should take about 10 minutes to complete. If you have any questions, please contact Christine Leicht, Capacity Building Center for States Evaluation Lead at Christine.Leicht@icfi.com.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 10 minutes per response to complete this questionnaire. The obligation to respond to this collection is voluntary. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The control number for this project is 0970-0401. The control number expires 9/2018.
