

TITLE OF INFORMATION COLLECTION: State Capacity Building Center Tailored TA Feedback Collection for Impact Project

Impact Project Email Invitation

The Impact Project Progress Report provides an opportunity for Impact Project States to share their progress and provide feedback regarding their experience so far. This section includes 7 questions to gather your feedback on our assistance.

As you complete the Progress Report, you can save your responses and come back later. To save your responses, please be sure to hit the "Save and Continue" button on the bottom of the page that you are working on before you close out.

Please complete this progress report by XXXX. If you have any questions, contact harriet.dichter@icfi.com.

Feedback Form

OMB Control No: 0970-0401

Expiration date: 5/31/2018

Instructions

The Impact Project Progress Report provides an opportunity for Impact Project States to share their progress and provide feedback regarding their experience so far.

Progress Report: How are we doing?

This survey includes questions to gather your feedback on our assistance so far.

As you complete the Progress Report, you can save your responses and come back later. To save your responses, please be sure to hit the "Save and Continue" button on the bottom of the page that you are working on before you close out.

NOTE: THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13). Public reporting burden for this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Introduction

Please select your State/Territory

- Colorado
- Commonwealth of the Northern Mariana Islands
- Florida
- Georgia

- Indiana
- North Dakota
- New Hampshire
- Oregon
- South Carolina

Progress Report: How are we doing?

Influenced our overall approach to our project.	1	2	3	4	N/A

The Impact Project involves support for your capacity building efforts. Thinking about your capacity building work for the Impact Project, do you need more attention to any of the capacity factors? Select all that apply.

- Culture & Climate** (The Management Team has the culture and climate capacity necessary for developing and implementing their identified project goals and strategies)

- Engagement and Partnerships** (The Management Team has the partnerships and engagement capacity necessary for implementing the project, and achieving success. Decisions are informed by and responsive to the needs and interests of a broad array of stakeholders)
- Financial Resources** (The Management Team has the capacity to leverage and maximize all available resources necessary for implementing their identified project. The Management Team considers how financing decisions support and incentivize system building goals connected with the project)
- Infrastructure** (The Management Team has the infrastructure capacity necessary for implementing their identified project, including leadership, vision and cohesion. The management team is working together according to shared understanding of common goals and what their roles and functions are within the project and system. The management team has established processes for ongoing communication, coordination, and decision-making as they relate to achieving their shared goals)
- Knowledge & Skills** (The Management Team has the systems leadership capacity necessary for implementing their identified project)
- Other (please specify)

Technical Assistance Coordination

	Strongly Agree	Agree	Disagree	Strongly Disagree	Not Applicable
The consultants have coordinated TA with our State Systems Specialist and/or Infant Toddler Specialist to support our project.	1	2	3	4	N/A
The consultants have coordinated TA with additional TA Centers (e.g., the ACF National TA Centers) that align with our project.	1	2	3	4	N/A

If you selected “strongly disagree” or “disagree” for any of the statements above, please tell us why.

Which aspect(s) have been most useful to you?

How could we better meet your needs?

Paperwork Reduction Act Statement: This collection of information is voluntary and will be used to collect participant feedback to shape future OCC technical assistance services. Public reporting burden for this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number and expiration date for this collection are OMB #: 0970-0401, Exp: 05/31/2018. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Carrie Kocot at carolyne.kocot@icf.com.
