Abstract**

The IDEIA requires Tribes and Tribal organizations to submit certain information to the Secretary of the Interior (Secretary). *See* 20 U.S.C. 1411(h)(4)(c) and 1443(b)(3). Under the IDEIA, the U.S. Department of Education provides funding to the Secretary for the coordination of assistance for special education and related services for Indian children aged zero to five with disabilities on reservations served by Bureau-funded schools. The Secretary, through the BIE, then allocates this funding to Tribes and Tribal organizations based on the number of such children served. In order to allow the Secretary to determine what amounts to allocate to whom, the IDEIA requires Tribes and Tribal organizations to submit information to Interior. The BIE collects this information on two forms, one for Indian children aged three to five covered by IDEIA Part B, and one for Indian children aged zero to two covered by IDEIA Part C.

IDEIA Part B—Assistance for Education of All Children with Disabilities requires Tribes and Tribal

organizations to use the funds to assist in Child Find, screening, and other procedures for the early identification of Indian children aged three through five who may have a disability., Part B funding may also be used to provide parent training, and the provision of direct services. *See* 20 U.S.C. 1411(h)(4)(D). IDEIA Part C—Infants and Toddlers with Disabilities likewise requires Tribes and Tribal organizations to use the fund to assist in Child Find, screening, and other procedures for early identification of Indian children under three years of age who may have a disability. Part C funding may also be used to provide parent training, and early intervention services. *See* 20 U.S.C. 1443(b)(4).
