

Justification for a no material/non-substantive change

The ATF requests approval to make the following minor changes to OMB 1140-0049 - Application for National Firearms Examiner Academy (ATF Form 6330.1):

- I. The applicant's signature block was incorrectly listed twice. This section was corrected to include one box for the applicant's signature on the left side of the form, while the other signature block on the right side of form was updated to read:

"Supervisor's signature "

- II. The section with submission address will be updated to read as follows:

"Please mail or e-mail this form to:"
