Application for New Alcohol Fuel Plant (Small, Medium, or Large)

Step 1 : Contacts & Location > Business Location

* indicates a required field.

Premise Address

This section pertains to the physical location and address where your approved operations will take place.

All address fields refer to the physical address of the location where your operations will be conducted. Use <http://zip4.usps.com/zip4/> to verify your address and enter each portion of the address exactly as it is shown by the USPS.

Premise Contact Name & Phone Number: In this section, you will supply information on the primary person within the applicant company with whom TTB will conduct a phone interview about the proposed operations, if necessary. You will be requested to submit a photocopy of the driver's license or other official State ID card for this person as an attachment if this is an original application or a change of proprietorship. This person must have signing authority on behalf of the applicant entity.

Historical Building: If your proposed premises are included in or eligible for inclusion in the National Register of Historic Places, you must answer "Yes". You will be required to provide documentation from your State Historic Preservation Office showing permission to conduct the proposed operations in that building. This information may already be on file with TTB.
