

SUPPORTING STATEMENT
Internal Revenue Service

Consent To Extend the Time To Assess Tax Under Section 367—Gain Recognition Agreement
OMB No. 1545-1395

1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

In accordance with Internal Revenue Code § 367, a U.S. person(s) who transfers stock or securities to a foreign corporation must file Form 8838. The transferor(s) may make a gain recognition election. As part of the gain recognition agreement, the transferor(s) must extend the statute of limitations so that the IRS may impose tax when the foreign corporation disposes of the transferred stock or securities. A gain recognition agreement allows the transferor(s) to defer the imposition of an excise tax on the transfer.

2. USE OF DATA

The IRS uses Form 8838 to indicate that the statute of limitations is in effect. The IRS can impose taxes and/or penalties when income is recognized.

3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

We offer electronic filing for Form 1120 returns. This form is to be attached to the income tax return of U.S. transferor, in the year the transfer is made.

4. EFFORTS TO IDENTIFY DUPLICATION

The information obtained through this collection is unique and is not already available for use or adaptation from another source.

5. METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER SMALL ENTITIES

There are no small entities affected by this collection.

6. CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL PROGRAMS OR POLICY ACTIVITIES

Failure to collect the information will prevent the Service from verifying the compliance with the reporting rules, outlined in Internal Revenue Code Section 367.

7. SPECIAL CIRCUMSTANCES REQUIRING DATA COLLECTION TO BE INCONSISTENT WITH GUIDELINES IN 5 CFR 1320.5(d)(2)

There are no special circumstances requiring data collection to be inconsistent with

Guidelines in 5 CFR 1320.5(d)(2).

8. CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY OF INSTRUCTIONS AND FORMS, AND DATA ELEMENTS

Periodic meetings are held between IRS personnel and representatives of the American Bar Association, the National Society of Public Accountants, the American Institute of Certified Public Accountants, and other professional groups to discuss tax law and tax forms. During these meetings, there is an opportunity for those attending to make comments regarding Form 8838.

In response to the *Federal Register* notice dated March 7, 2017 (82 FR 12908), we received no comments during the comment period regarding Form 8838.

9. EXPLANATION OF DECISION TO PROVIDE ANY PAYMENT OR GIFT TO RESPONDENTS

No payment or gift has been provided to any respondents.

10. ASSURANCE OF CONFIDENTIALITY OF RESPONSES

Generally, tax returns and tax return information are confidential as required by 26 USC 6103.

11. JUSTIFICATION OF SENSITIVE QUESTIONS

In accordance with the Privacy Act of 1974, Treasury has published its complete Privacy Act systems of records notices, which include all maintained records systems as of January 2, 2014; six systems have been amended, altered, or added since April 20, 2010, when the complete notices were last published. See 79 F.R. 209-261 and 79 F.R. 183-206, which was published on January 2, 2014.

A privacy impact assessment (PIA) has been conducted for information collected under this request as part of the "Individual Master File (IMF)" system and a Privacy Act System of Records notice (SORN) has been issued for this system under IRS 24.030--Customer Account Data Engine Individual Master File, formerly Individual Master File, and IRS 34.037--IRS Audit Trail and Security Records System. The Internal Revenue Service PIAs can be found at <http://www.treasury.gov/privacy/PIAs/Pages/default.aspx>.

Title 26 USC 6109 requires inclusion of identifying numbers in returns, statements, or other documents for securing proper identification of persons required to make such

returns, statements, or documents and is the authority for social security numbers (SSNs) in IRS systems.

12. ESTIMATED BURDEN OF INFORMATION COLLECTION

Authority	Description	# of Respondents	# Responses per Respondent	Annual Responses	Hours per Response	Total Burden
IRC § 367	Form 8838	666	1	666	8.23	5482
Totals				666		5482

Estimates of the annualized cost to respondents for the hour burdens shown above are not available at this time.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

To ensure more accuracy and consistency across its information collections, IRS is currently in the process of revising the methodology it uses to estimate burden and costs. Once this methodology is complete, IRS will update this information collection to reflect a more precise estimate of burden and costs.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

The primary cost to the government consists of the cost of printing this form. We estimate that the cost of printing the form is \$20,755.

15. REASONS FOR CHANGE IN BURDEN

There are no changes being made to the form at this time. We are making this submission to renew the OMB approval.

16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

There are no plans for tabulation, statistical analysis and publication.

17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE

We believe that displaying the OMB expiration date is inappropriate because it could cause confusion by leading taxpayers to believe that the form sunsets as of the expiration date. Taxpayers are not likely to be aware that the Service intends to request renewal of the OMB approval and obtain a new expiration date before the old one expires.

18. EXCEPTIONS TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I

There are no exceptions to the certification statement.

Note: The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.
