

facilities in a locked drawer behind a locked door. The records may be stored on magnetic disc, tape, and digital media.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records may be retrieved by name or other personal identifier.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

The retention period for information contained in FALCON-SA varies depending on the type of data. Routinely ingested DHS-owned data is retained in accordance with the approved record retention schedule of the source system. Data uploaded to FALCON-SA in an *ad hoc* manner is associated with a case file number, to the extent possible, and retained consistent with the retention of the case file. When there is no case file number, the data is retained for 20 years. FALCON-SA metadata and index data are retained for the same length of time as the record or data element they originate from or describe.

FALCON-SA is the official repository for tip information at ICE and does not obtain these records from another internal database source. ICE records created via the FALCON-Tip Line application are fed into FALCON-SA's general data storage environment thereafter. Other tip information may be entered into FALCON-SA manually by a specialized unit within ICE when the tips pertain to child exploitation crimes. Tip Line records will be retained for ten (10) years from the date of the tip. Tip records concerning child exploitation crimes will be retained for 75 years.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

DHS/ICE safeguards records in this system according to applicable rules and policies, including all applicable DHS automated systems security and access policies. ICE has imposed strict controls to minimize the risk of compromising the information that is being stored. Access to the computer system containing the records in this system is limited to those individuals who have a need to know the information for the performance of their official duties and who have appropriate clearances or permissions.

RECORD ACCESS PROCEDURES:

The Secretary of Homeland Security has exempted this system from the notification, access, and amendment procedures of the Privacy Act, and the Judicial Redress Act if applicable, because it is a law enforcement system. However, DHS and ICE will consider

individuals' requests to determine whether or not information may be released. Thus, individuals seeking notification of and access to any record contained in this system of records, or seeking to contest its content, may submit a request in writing to the U.S. Immigration and Customs Enforcement Freedom of Information Act (FOIA) Officer, whose contact information can be found at <http://www.dhs.gov/foia> under "FOIA Contact Information." If an individual believes more than one component maintains Privacy Act records concerning him or her, the individual may submit the request to the Chief Privacy Officer and Chief Freedom of Information Act Officer, Department of Homeland Security, Washington, DC 20528-0655. Even if neither the Privacy Act nor the Judicial Redress Act provides a right of access, certain records about you may be available under the Freedom of Information Act.

When seeking records about yourself from this system of records or any other Departmental system of records, your request must conform with the Privacy Act regulations set forth in 6 CFR part 5. You must first verify your identity, meaning that you must provide your full name, current address, and date and place of birth. You must sign your request, and your signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, you may obtain forms for this purpose from the Chief Privacy Officer and Chief Freedom of Information Act Officer, <http://www.dhs.gov/foia> or 1-866-431-0486. In addition, you should:

- Explain why you believe the Department would have information on you;
- Identify which component(s) of the Department you believe may have the information about you;
- Specify when you believe the records would have been created; and
- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records;

If your request is seeking records pertaining to another living individual, you must include a statement from that individual certifying his/her agreement for you to access his/her records. Without the above information, the component(s) may not be able to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations.

CONTESTING RECORD PROCEDURES:

Individuals who wish to contest the accuracy of records in this system of records should submit these requests to the ICE Privacy & Records Office. Requests must comply with verification of identity requirements set forth in Department of Homeland Security Privacy Act regulations at 6 CFR 5.21(d). Please specify the nature of the complaint and provide any supporting documentation. By mail (please note substantial delivery delays exist): ICE Privacy & Records Office, 500 12th Street SW., Mail Stop 5004, Washington, DC 20536. By email: ICEPrivacy@ice.dhs.gov. Please contact the Privacy & Records Office with any questions about submitting a request or complaint at 202-732-3300 or ICEPrivacy@ice.dhs.gov.

NOTIFICATION PROCEDURES:

See "Record Access procedure."

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

The Secretary of Homeland Security, pursuant to 5 U.S.C. 552a(j)(2) and (k)(2), has exempted this system from the following provisions of the Privacy Act: 552a(c)(3), (c)(4); (d); (e)(1), (e)(2), (e)(3), (e)(4)(G), (e)(4)(H), (e)(4)(I), (e)(5), (e)(8); and (g).

When FALCON-SA receives a record from another system that is exempt from the Privacy Act, DHS will claim the same exemptions as are claimed for the original system of records from which the record originated and also claims any additional exemptions set forth here.

Acting Chief Privacy Officer, Department of Homeland Security.
