This request updates the scope, sampling, procedures, and materials to be used in NAEP in 2018 and 2019, including operational assessments, pilot tests, and special studies from those originally approved in August 2016, with change requests approved in September 2016, for NAEP 2017-2019 (OMB# 1850-0928 v.1-3).

Non-substantive wording changes to the questionnaire items (based on cognitive and pilot testing results), if any are made; the final selection of which items will be used in the final versions of the NAEP 2018 and 2019 questionnaires (future Appendix I); and the final versions of the communication and recruitment materials that will be used in NAEP 2018 and 2019 (future Appendix J) will be submitted to OMB for approval as a non-substantive change request by October 2017 for NAEP 2018 and by October 2018 for NAEP 2019.
