Title: FERC–523, Application for Authorization for the Issuance of Securities or the Assumption of Liabilities.

OMB Control No.: 1902–0043.

Type of Request: Three-year approval of the FERC–523 information collection requirements with no changes to the current reporting requirements.

Abstract: The information collected by FERC–523 is required to implement the statutory provisions of section 204

The Commission issues an order if it finds that such issue or assumption (a) is for lawful object,
