LEGEND
<p>(A) Work Item List all work items that need to be done in A. This list can generally come from the final model.</p> <p>(B) Description of Rehab Work (From PCA or Final Model) Provide a description of the work (at a minimum, what the purpose of the work item is and where the work item is located or to be done; identify the actual building number or unit number) in B. The description is based on the PCA or tenant meeting comments. This can also include: Specifications, Products, Materials, Installation Parameters and Methods, Performance Specifications, Tolerances, etc.</p> <p>(C) Quantity Explain how many units need to be done or purchased.</p> <p>(D) Budget The amount set aside for in the final model or per the restructuring at closing.</p> <p>Green (G) or Standard (S) Rehab Clarify whether or not the rehab work contains a Green element or if it is simply standard rehab work. Green rehab work</p> <p>Bid Amount Bids should be ascertained right after the Exhibit A is approved by REAT and then updated prior to closing. The updated bid amounts should be reflected in the Exhibit A.</p> <p>(E) Work Start Anticipated date that the work item will commence.</p> <p>(F) Work End Anticipated date that the work item will be completed.</p> <p>(G) Inspection Scheduled Anticipated date the inspection will be performed.</p> <p>(H) Draw # This number reflects from which draw this work item will expected to be reimbursed.</p>

NOTE
<p>1 If applicable, for additional funds transaction, attach a separate list all other non-M2M rehab repairs with timeline and costs and show how the M2M rehab will fit in.</p>

Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This information is required to obtain benefits. The Office of Multifamily Housing, Office of Recapitalization 451 7th Street SW, Room 6230 Washington, DC 20410. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number. Title V of the Departments of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act of 1988 (P.L.105-65, 111 Stat. 1384) authorizes the FHA Multifamily Housing Mortgage and Housing Assistance Restructuring Program. HUD implemented a statutory permanent program directed at FHA-insured multifamily projects that have project-based Section 8 contracts with above-market rents. The information collection is used to determine criteria eligibility of FHA-insured multifamily properties for participation in the Mark to Market program and the terms on which participation should occur. The purpose of the program is to preserve low-income rental housing affordability while reducing the long-term costs of Federal rental assistance. While no assurances of confidentiality are pledged to respondents, HUD generally discloses this data only in response to a Freedom of Information request.
