Public reporting burden for this collection is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. This information is required to obtain benefits and is voluntary. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

General authority for the prepayment of a Section 202 Direct Loan is provided by Section 811 of the American Homeownership and Economic Opportunity (AHEO) Act of 2000, as amended by the Section 202 Supportive Housing for the Elderly Act of 2010 (Public Law 111-372) signed into law on January 4, 2011, and by the regulations at 24 CFR Part 891.530. This information collection sets forth the information that must be reviewed and approved by HUD in order to approve prepayment of a Section 202 or Section 202/8 Direct Loan. HUD review will ensure the continued operation of the project, for 20 years beyond the original maturity date of the loan, in a manner that will provide rental housing for the elderly and individuals with disabilities on terms at least as advantageous to existing and future tenants as the terms required by the original Section 202 loan agreement. While no assurances of confidentiality are pledged to respondents, HUD generally discloses this data only in response to Freedom of Information Act requests.
