SUPPLEMENTARY INFORMATION: SBA is amending its Privacy Act System of Records Notice, which was previously published at 74 FR 14890 (April 1, 2009), to amend System 21 (Loan System), System 36 (Suspension and Debarment Files), and Appendix A.

System 21—Loan System.

SBA is revising the routine uses provisions of its Privacy Act Systems of Records, Loan System, SBA 21 ("SOR 21") to add three new uses, designated as paragraphs l, m, and n, to include Loan Agent review processes and additional regulatory processes. The processes include, but are not limited to, the Agency's new processes for: (i) Compiling and reviewing loan agent data, (ii) disclosing to GSA loan agent enforcement actions and exclusions under 13 CFR part 103 for purposes of publication in GSA's Excluded Parties List System, and (iii) disclosing to others (e.g., regulators) SBA supervisory information for regulatory purposes. In addition, SBA is amending SOR 21 to update the SOR 21 System Location and Managers, and Categories of Individuals and Records, to provide a definition for loan agents, and amending routine use lettered "d" regarding disclosure to law enforcement, professional and procurement organizations.

SBA System 36—Suspension and Debarment Files.

SBA is amending the System of Records for Suspension and Debarment Files, SBA 36, ("SOR 36"), to add a new routine use and to update the System Location, System Manager, Categories of Individuals and Categories of Records provisions.

SBA is also amending the routine uses provisions in SOR 36 in order to meet the requirements of Executive Order 12549 and other applicable law. This amendment will allow SBA to transfer certain parties' identifying information to GSA for publication on the Excluded Parties List System (the "EPLS"). The parties whose identifying information will be subject to disclosure to the EPLS are those that have been suspended or debarred from participating in SBA programs, that have agreed to exclusion from participation, or that have been declared ineligible, under 2 CFR Parts 180 and 2700 or other applicable law, or that have been the subject of enforcement actions under Part 103 (other than Loan Agents in SBA Business Loan Programs, which are covered by SOR 21).

SOR 36 currently consists of materials compiled from investigations and/or audits which identify violations which may be cause for suspension or debarment pursuant to the Federal Acquisition Regulations or the government-wide non-procurement suspension and debarment regulations. These materials include indictments, information, plea agreements, judgments, loan agreements, contract documents, etc., that pertain to a party's participation in government contracts, SBA loan programs, and other SBA assistance. Through the EPLS, government agencies and the public can search and ascertain the SBA enforcement or exclusion status of those parties. These searches may be performed, for example, for purposes of determining government contract eligibility. Finally, SBA is amending SOR 36 to expand the System Location to include all of SBA Headquarters, and the System Manager section to include Headquarters Suspension and Debarment officials, is revising the Categories of Records and Categories of Individuals sections, and is amending routine use lettered "a" regarding disclosure to law enforcement, professional and procurement organizations.

Appendix A

Finally, SBA is amending Appendix A to update the addresses of various offices that have been relocated or to remove addresses for those offices that have closed since the list was last published.
