The Office of Procurement and Property Management acknowledges and appreciates the comment submitted by the Biobased Products Coalition (BPC) on the Notice on Request for Comments on Extension of a Currently Approved Information Collection, OMB Control Number: 0503-0020. The BioPreferred Program also appreciates BPC's long-standing support for the Program and values the input that BPC has provided during the development and implementation of the Program.

Regarding the comment, BPC's statements in support of the information collection and the burden estimate are especially helpful.
