PRIVACY ACT NOTICE

General:

This information is provided pursuant to Public Law 95-3579 (Privacy Act of 1974) December 31, 1974, for individuals completing the VS 1-36A.

Authority:

5 U.S.C. 3301, 7 U.S.C. 8309, and 21 U.S.C. 113a

Routine Uses:

The information will be used for (1) Referral to State Animal Health officials to certify accreditation status or to exchange information regarding disciplinary action(s). (2) Referral to state veterinary examining boards to certify accreditation status or to exchange information regarding disciplinary action(s). (3) Disclosure to the public for the purpose of locating and contacting accredited veterinarians for a specific geographical location. (4) Referral to the appropriate agency, whether Federal, State, local or foreign, charged with the responsibility of investigating or prosecuting a violation of law, or of enforcing or implementing a statute, rule, regulation or order issued pursuant there to, of any record within this system when information available indicates a violation or potential violation of law, whether civil, criminal or regulatory in nature, and whatever arising by general statute or particular program statute, or by rule, regulation or order issued pursuant thereto. (5) Disclosure to the Department of Justice has agreed to represent the employee or the United States, where the agency determined that litigation is likely to affect the agency or any of its components, is a party to litigation or has an interest in such litigation and the use of such records by the Department of Justice is deemed by the agency to be relevant and necessary to the litigation ; provided, however, that in each case the agency determines that disclosure of the records to be Department of Justice is a use of the information contained in the records that is compatible with the purpose for which the records were collected. (6) Disclosure in a proceeding before a court of adjudicative body before which the agency is authorized to appear, when the agency, or any component thereof, or any employee of the agency in his or her official capacity, or any employee of the agency in his or her individual capacity where the agency has agreed to represent the employee or the United States, where the agency determines that litigation is likely to affect the agency or any of its components, is a party to litigation or has an interest in such litigation, and the agency determines that use of such records is relevant and necessary to the litigation; provided, however, that in each case the agency determines that disclosure of the records to the court is a use of the information contained in the records that is compatible with the purpose for which the records were collected (7) Disclosure to appropriate agencies, entities, and persons when the agency suspects or has confirmed that the security or confidentiality of information in the system of records has been compromised; the agency has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, a risk of identity theft or fraud, or a risk of harm to the security or integrity of this system or other systems or programs (whether maintained by the agency or another agency or entity) that rely upon the compromised information; and the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with the agency's efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm; (8) Disclosure to cooperative Federal, State, and local government officials, employees, or contractors, and other parties engaged to assist in administering the program. Such contractors and other parties will be bound by the nondisclosure provisions of the Privacy Act. This routine use assists the agency in carrying out the program, and thus is compatible with the purpose for which the records are created and maintained. (9) Disclosure to USDA contractors, partner agency employees or contractors, or private industry employed to identify patterns, trends or anomalies indicative of fraud, waste, or abuse. (10) Disclosure to the National Archives and Records Administration or to the General Services Administration for records management inspections conducted under 44 U.S.C. 2904 and 2906.

Effects of Nondisclosure:

Although this information is voluntary, failure to complete all the information may delay the process of the application or it may result in the application not being processed.
