Pre-call Telephone Script

Hi, my name is [NAME] from the RAND Corporation. I'm calling on behalf of CDC's National Institute for Occupational Safety and Health (NIOSH). WE would like to send information about an important NIOSH study to the [occupational health and safety specialist/production manager/sciences manager/individual responsible for occupational safety and health] at this location.

May I have that person's name and title?

Could you please tell me his or her mailing, email address, and telephone number?

Thank you for your time.
