Thank you. I have a couple of final things to explain. First, it would be best if you did not bring a friend or spouse or children, as there isn't room to accommodate them. Also, we'd like you to come early, but not too early. If you

could come 10 to 15 minutes in advance, you can have some snacks and refreshments and your wait won't be long before we begin. Do you have questions?

***If you use eyeglasses for reading printed materials, please bring them with you. Also, under research industry rules, you will be asked to provide proof of identification, so please bring ID with you.***

Please call us here at [FACILITY NAME] at [PHONE NUMBER] if you have questions.
